Dear Families and Friends of the St Pius X Community,

I read in the St Paul’s, Booragul Newsletter last week the following thought provoking piece from Tony Stevens, Principal of St Paul’s. I reproduce it here with his permission.

During one of the holiday breaks last year I attended a National Conference of Catholic Secondary School Principals. One of the keynote speakers spoke of the ‘Average Australian’. These were some of the interesting statistics presented to this assembly of Principals. The average Australian:

- is 37 years old
- lives in a relationship before marriage
- was married at 31 by a civil marriage celebrant
- most probably will not divorce
- has 1.7 (increasingly unbaptised) children
- lives in one of the largest houses we have ever built
- carries $3,100 in monthly debts
- loses $931 a year gambling
- donates $207 to charity
- has someone in their family who is chronically depressed
- answers the question, ‘How are you?’ with “Really busy’, ‘Frantic’, ‘Run off my feet’, ‘Exhausted’
- enjoys watching American fantasy and science fiction films, which are not explicitly sexy, but do have medium level violence and medium level course language
- owns an iPod, has 3 TV’s and the internet at home and are moving over to pay TV
- doesn’t read heavy magazines or books
- goes to church at Christmas, Good Friday, Easter Sunday and for Baptisms, Weddings and Funerals.

The questions we need to ask ourselves are these:

- What sort of a human being do we choose to be?
- Do we get a deep sense of satisfaction from being ‘average’?
- Do we have the inner fortitude to be different and to nourish our soul and our sense of an eternal destiny?

The role of the Catholic school and, indeed more broadly the Catholic Church, is to promote the legitimacy and desirability of being counter cultural. This has become more important when we consider today’s prevailing ‘isms’ – materialism, secularism, nihilism, etc. The late Barry Dwyer, (author and Professional Development presenter) said: “The role of Catholic schools is to create clever stirrers.” By ‘stirrers’, Barry was specifically referring to challenging those societal assumptions that facilitate a sense of spiritual and personal mediocrity. May I suggest to you that we need to be more fulfilled than the average Australian.

Robert Emery
Principal
**Curriculum News**

Students must bring their planners to school each day. It is an essential tool for good organisational skills. Over the coming weeks faculties will use the planner in preparation for semester examinations.

Interim reports were given to students on Monday 23 April. In the report there is the opportunity for parent teacher interviews. These will take place on Thursday 3 May from 3.30pm till 7.30pm and Friday 4 May during school hours. Friday 4 May will be a pupil free day. I encourage all parents to take the opportunity to meet their child’s teachers.

NAPLAN for Year 7 and 9 will take place in Week 4 starting Tuesday 15 May till Thursday 17 May. Students are expected to be at school on time. Our website has a link to ACARA where parents can find further information regarding NAPLAN.

Semester One examinations will take place for Years 8 and 10 in Week 6 (28/5/12). Year 9 will begin their exams on the Friday 1 June and continue into Week 7. Year 7 will complete their exams during Week 7 (04/06/12). Students will be issued with an exam timetable closer to the examination period and they will be published on our school portal.

Carmel Wright  
Acting Assistant Principal  
Dean of Studies  
carmel.wright@mn.catholic.edu.au

**Ministry Update**

**Recycling**

Please ensure your child is familiar with the requirements of the school recycling program. The schools “Yellow Lidded Bins” operate the same as the Newcastle City Council bins provided for home recycling and there are some common misconceptions about the disposal of litter into these bins. Please discuss the following and help us to cut the waste.

**Catholic Schools Week Mass**

This week is Catholic Schools’ Week. A Mass was held on Tuesday 1 May to celebrate the great opportunities and successes of the Catholic schools in this region. Following this, the St Pius school leaders’ attended the fourth meeting of the Diocesan School Leaders Council with Mr Ray Collins, the Director of Schools for the Diocese of Maitland-Newcastle.

**Youth Mass**

Students from St Pius are encouraged, as always, to attend the Life Teen Youth Mass at St Therese’s New Lambton on Sunday 6 May at 5.45pm. This is a dedicated Youth Mass and, as a celebration of Catholic Schools Week, students from St Pius will be speaking to the local parish about activities in our school. This is an initiative aimed at fostering good community relationships and building on the already established links with the parish. All students and their families are encouraged to make a special effort to attend this service. Information is available at Student Services, or contact me for more information (email below).

**Vietnam**

Staff and students participated in a preparation trek in Hornsby on Sunday 29 April and Monday 30 April. This was a great opportunity to try out new
equipment, clothes and most importantly, shoes. This Training Expedition was a great team bonding session where many questions about the upcoming trip and gear were answered. This term all students involved in the trip will be doing preparation walks and activities during the normal Friday Sport time.

Way of the Cross
On Sunday 25 March, our Vice Captains, Meg Bailey and Joel Webber, as well as Lara Fuller gathered at St Joseph’s Parish, Kilaben Bay to represent our school at the annual Ecumenical Way of the Cross. This Easter Liturgy celebrates the death and resurrection of Jesus. Each of the 14 Catholic Schools involved was given an important role of acting one of the 14 stations. St Pius X was given the 13th station, Jesus taken down from the Cross. Ruby, Courtney, Madeline and Phoebe dramatized the scene whilst Joel read a passage, which concluded with Meg reciting a prayer. It was a wonderful day full of reflection, prayer and refreshments. 

By Ruby and Madeline

Easter
The St Pius X Holy Week Liturgy was held on the last day of the term, Holy Thursday. Students and staff participated in a reflection on the events of Holy Thursday, watching a stirring production of the “Stations of the Forest” to represent Good Friday and heard readings from Easter Sunday. Well done to all students involved, in particular the readers and musicians.

ANZAC Day
All students and staff took time to reflect on the ANZAC tradition during a service held on Tuesday 24 April. The School Leaders also represented St Pius at the Adamstown Club for a moving service on ANZAC Day.

Private Music Lessons
At present we have a number of experienced Music Tutors teaching in our school. Students receive 30 minute lessons once a week. Lessons range from $20.00 to $30.00 and students are allocated a half hour space within the duration of the school day. Where possible, every attempt is made for students not to miss English, Maths or Science, or any other subject every week. All subjects are viewed with the same importance and it is the students’ responsibility to liaise with their class subject teacher to ensure no class work is missed. On NO OCCASION IS AN ASSESSMENT TASK TO BE MISSED due to private lessons. Failure to adhere to the above requirements will result in discontinuation of lessons. There are minimal places left for this semester, however individual tutors may be contacted for more specific
information. Please note: The payments for these lessons are to be made directly to the tutor, NOT the School Bursar.

For more information about this program, please contact individual Tutors or Ms Amy Burrage on amy.burrage@mn.catholic.edu.au or by phone (49 571032) on Mondays or Tuesdays.

From the SRC
After the huge effort that went into the school dance last term, the Student Representative Council had a busy end to Term 1.

On 5 April, the Prefects accompanied Mrs Tranchini to the Town Hall for the Climate Cam Student Leadership workshop. Lara Fuller, Cooper McDonald, Elizabeth Redpath and Jack Dawson represented the school to the highest standard and participated positively in activities centred on environmental sustainability and how it can be applied to schools. The day involved a visit to the Smart Grid, Smart City centre at Honeysuckle, where the Prefects learnt about energy saving initiatives in Newcastle and how they can be easily adopted. They definitely came back motivated and full of fresh ideas!

On Anzac Day, our School and Vice Captains accompanied Mr Roff and Mrs Tranchini to the Adamstown service. Tom Hawes, Olivia Carroll, Joel Webber and Meg Bailey represented the school excellently as they marched with a large number of other local schools. They also laid a wreath in remembrance of our fallen soldiers. They deserve a big congratulations for their efforts, particularly on their day off! Well done.

The rest of the Student Council has already been making preparations for Term 2, with many ideas being developed for charity and school fundraisers, Climate Cam initiatives and other school issues including boys’ socks. Preparations are also underway for St Pius X feast day in Term 3.

Interviews for Year 7 Prefects are also taking place with a decision to be announced in Week 2. The written applications look extremely promising and we wish all applicants the best of luck.

Bonnie Tranchini
HSIE Teacher

UNSW Science Competition
Students are invited to take part in the UNSW Science Competition which will take place on Wednesday 6 June. The cost is $7.00, which is payable to the Bursar by Monday 7 May.

Mandy Willis
Science Teacher

HSIE Virtual Classrooms
The HSIE faculty has introduced the use of a common Virtual Classroom website for students to use in their studies for this subject. Each year group has access to a website that includes notes used in class, presentations, video clips, websites and many other resources. Each website is organised by topic and all students in each year group have access to the same resources. The aim of these sites is to assist students who are absent from school, or in preparation for assessment. These sites are easily accessible through
MNLive and students can save and print resources as needed. Currently, the following sites are available to students:

- Year 7 Geography
- Year 8 History
- Year 9 Geography
- Year 10 History

In addition to these sites, another Virtual Classroom is being used in HSIE called “Study Skills for Successful Students.” This site includes a range of resources to assist students with developing study habits, preparing for assessments and exams, paragraph and essay writing, directive verbs, graphic organisers and note taking, as well as active learning strategies. This site is regularly updated with “mini-lessons,” which provide small tasks that will assist students in getting started with study at home. With examinations fast approaching and plenty of assessments in between, please encourage your students to take advantage of these sites.

Bonnie Tranchini
HSIE Teacher

Careers

Congratulations to the following students who undertook Work Experience last term. All students received fantastic reports and made good contacts with industry which will be beneficial for them when they begin their search for apprenticeships. Well done to Nicola Hawes, James Hoffman, Zack Mavin, Shania Nugent-Hedley, Gabrielle O’Neill, James Plummer, Bree Redman and Brady Tamplin. The students who hope to leave school upon completion of Year 10 will undertake more work experience later in the term. In the next couple of weeks they will begin a program where they learn about the different methods of getting an apprenticeship. They will also start a program targeting improving their Maths for future apprenticeship testing. Some employer comments on the students’ assessments include: “he displayed maturity not normally seen in a 15 year old,” “will fit in well in this industry” and “I would gladly employ him to work for my business.”

All Year 10 students are looking forward to the Newcastle Careers’ Expo Excursion on Friday 18 May. Notes were due 27 April. The event offers students the opportunity to ask questions about different University courses, TAFE courses and how to find employment with local businesses. Over 180 different exhibitors attend to assist students as they plan for their future career pathways. This year the Expo is also on Saturday which allows Years 7-9 students to also start their journey. SO if you can spare some time on Saturday 19 May to get to Broadmeadow Jockey Club, you can talk to people from every University from across NSW, Private colleges from Newcastle and Sydney, TAFE, Group Training Companies etc. More information will follow in future Newsletters.

I look forward to visiting all Year 10 classes early this term to talk to them about the Higher School Certificate. I will go through rules of the HSC, ATAR calculation and Post School Options-University, TAFE, Employment. The transition process for after Year 10 has started for students and the information they received will better prepare them to make more informed decisions. St Francis Xavier’s College staff will visit the students at school in week 6 to also speak with them about the HSC.

World Challenge Vietnam Year 9 2012 (Year 10 2013)

This year almost 50 Year 10 students will embark on a “World Challenge” expedition to Vietnam in June. The students will travel for three weeks, including their mid year holidays. They will participate in challenging treks, contribute to social justice projects and enjoy some rest and relaxation before they return home. The students are required to plan their own itinerary and manage their budgets.

We are offering this “adventure travel” / “cultural immersion” on an annual basis. To give families adequate time to save and students the opportunity to gain part time employment and fundraise, we begin the process 13 months in advance. Students generally work and fundraise for 50% of their fare. The pre-expedition timeline will be:

<table>
<thead>
<tr>
<th>Date</th>
<th>Day</th>
<th>Purpose</th>

Triathlon:

Blythe Quick (Yr 10) recently represented NSW in the Australian Schools Triathlon Championships in Busselton Western Australia. The swimming leg was changed to a local pool after a shark was sighted in the competition area. Blythe finished 7th overall in the Intermediate age group (15/16) an outstanding effort considering she came off her bike a week earlier, knocking herself out in a race at Kooragang. Her NSW team finished 3rd in teams event. Well done Blythe.

David Pitfield
Representative Sport
News from Northern Region NSW CCC Basketball Tournament
On Thursday 26 April the Year 9/10 boys travelled to Tamworth to compete in the CCC Basketball Tournament. The first team we played was the hometown team Macarthur College. Unfortunately, after a mighty effort against a much taller team, we went down by 7 points.

We then met St Phillip’s of Moree, St Joseph’s Lochinar and St Peter’s Maitland – all of whom we beat convincingly. Saturday was our final round game. We had to beat a tough San Clemente line up to go through to the Grand Final. The boys played an aggressive and gutsy match. Even with a screaming Myles Cherry 3 pointer in the last 15 seconds, we were unable to hold out the Clemente boys, going down by just 5 points.

MCC Tamworth went on to beat our Newcastle Clemente friends 52-50 in the Grand Final. The boys and Gabby and Nounali did our school proud. Their behaviour and good humour made for a very enjoyable trip.

Thanks to Kylie Pinney and Bob Sheridan for your support and driving skills, to Gabby Lyth (Referee extraordinaire) and Nounali Roddenby-Jenkins (paddle girl!) for their help at the tournament.

*Elisa Hart*
Basketball Coach

7/8 Rep Cricket
Despite posting a creditable score of 80 runs from their 8 overs, the St Pius Junior Cricket Team was beaten in the Final in the last over by the No 1 San Clemente team. St Pius had beaten this team in a close match in the earlier rounds, so they knew it would be a tough game. All players gave 100% with some notable performances in the final. Callum Linsley scored 25 not out and was well supported by some big hitting from Pat McCoy and Andrew Walker. Hannah Linsley, Connor Lynch and Tom Neely were the best of some very good bowling. Andrew Walker did his best to motivate the team with some positive calls such as, “I can’t hear you St Pius” and, “we can do this.”

The full team consisted of Darcy Jack, Daniel Standing, Andrew Walker, Callum Linsley, Tom Neely, Nic Standing, Joe Hart, Hannah Linsley, Pat McCoy, Connor Lynch and Ricky Pankhurst. It was a pleasure to be involved with a great bunch and to witness firsthand some very good junior cricket. All players are to be commended for their efforts and great sportsmanship displayed throughout the competition.

*Col Griffin*
Cricket Coach

Marathon to Save the Children
The Sydney Marathon is being held on September 16 and I am looking to make a team to raise money for the Save the Children Foundation. Most people reading this will probably think it’s a great cause but there is no way I could run a marathon. My favourite movie is “Rocky” because its trailer has this great voice over which has a sentence which rings true for most of us, “he’s every man who never settled for something less.”

With limited ability Rocky still takes his shot at the title. This ordinary person achieves something extraordinary by just going the distance. The same applies to a marathon, it doesn’t matter if you have to walk it. It doesn’t matter how long it takes you to complete it. The fact that you have the courage to attempt it makes you extraordinary.
With your help, we will help to save the lives of babies and children in third world countries. So if you are even the slightest bit interested I would like you to take action.

1. Set your IPOD to Bill Conti
2. Put your running shoes on and run around the block
3. Finally – email me – daniel.brennan@mn.catholic.edu.au

The Principal
St Pius X High School
Park Avenue
ADAMSTOWN NSW 2299

Dear Sir/Madam

“For inclusion in school newsletters”

FREE workshops for parents and supervisors of learner drivers

Young drivers are three times more likely to be involved in casualty crashes. That’s why the Roads and Maritime Services has introduced a new licensing scheme, with more supervised driving practice for learner drivers.

To help parents and supervisors of learner drivers, The City of Newcastle has set up a FREE 2 hour workshop for parents and supervisors, to offer practical advice on how to help learner drivers become safer drivers.

This FREE workshop will be held on Tuesday 8 May 2012 at The Adamstown Club from 5.30 – 7.30pm. Please find enclosed a poster advertising the workshop.

Early bookings are essential, so parents and supervisors are urged to phone (02) 49742667 or 0411873684 to reserve their places now.

Yours sincerely

S. Alley

Suzanne Alley
Community Road Safety Officer

End
Helping learner drivers become safer drivers

FREE workshops for parents and supervising drivers

To provide practical advice about:

Current laws for L and P licence holders.

Supervising learner drivers.

Completing the Learner driver log book.

The benefits of supervised on-road driving experience.

The next workshop in your area will be held:

Second Hand Uniforms

A large number of parents have expressed the need to have second hand uniforms available. St Pius X High School will be running a new service which will enable all parents to buy/sell second hand uniform items. The service will work in the following way:

1. Parent/s will fill out a form with the details of the item/s required to buy/sell and supply a contact number. This form will be available from reception, or alternatively you may email your details to admin@adamstownsp.catholic.edu.au.

2. These details will then be advertised in a special “Second Hand Uniform” section which will be on the back page of each newsletter, which commences with this Newsletter.

3. The advertisement will run for a month or two editions of the newsletter.

4. Parent/s will simply contact the number supplied and deal direct with the person buying/selling.

Please note that no second hand uniform items will be kept by St Pius X High School.

For any further information regarding Second Hand Uniforms please contact reception.
