Dear Families and Friends of the St Pius X Community,

Welcome to Term 3. I had intended to begin Term 3 with a look at the progress of our 2012 Strategic Plan. Much has happened over the holidays, however, so I will restrict myself to an update on those things.

Fire
Well, as you are all aware, our great school suffered a huge loss over the holidays. Sr Marie Hall was burnt to the ground on the first Saturday of the holidays. Everything inside the Hall was destroyed with the exception of some of our archived records. The young people responsible for the fire (not from our school) have been apprehended by the police and two have faced Court.

The Insurance Assessor has completed his work and declared that we are entitled to rebuild the Hall. The damage bill is around a million dollars. With regard to rebuilding, I am interested to know what people think. Do we rebuild Sr Marie Hall as it was or are there other possibilities that you believe may be more appropriate? It makes sense when presented with an opportunity like this to consider all options. Please let me know what you think about this question. You are welcome to email me with suggestions or comments.

The fire site has now been cleaned and cleared. A fence has been placed around the whole area. Windows that were broken around the school are being repaired. The Demountable classrooms in the vicinity of the Sr Marie Hall site are all safe to use. We are currently compiling a list of all that was lost in the fire so that we can replace these things.

I offer thanks to the many staff, parents and students who contacted me over the holidays to offer support and assistance. We do have a wonderful school community. Your support and kindness were greatly appreciated.

Return of our Intrepid Travellers
I offer a special welcome back to our six staff members and 43 Year 10 students from their World Challenge trip to Vietnam. They have certainly had a very busy and tiring last three weeks. Trips such as these provide students with powerful educational and life changing experiences. We should never underestimate the benefits of providing such opportunities for our students. From what I have heard so far the students were exceptional in every aspect.

Thank you to Mrs Kelly, Mr Stephen Dunn, Mr Roff, Mr Pryor, Mr Pitfield and Mr Davies who made the journey and to Ms Mohr, who worked tirelessly over the last year in support of the trip. It took a huge amount of generosity and effort from each of you to make this trip the great success that it has turned out to be. The St Pius X community welcomes you back home. We look forward to hearing & seeing much about your experiences.

Factory Wing Facilities
The Factory Wing facilities are almost ready to move into. Smart boards etc have been installed & furniture has been delivered. Keying of rooms etc has been organised & is happening now. Work in the Theatre to upgrade the electricity supply and to install the stage-lighting & sound system is continuing. The Theatre will be unavailable until mid-August, when Aspire (the Diocesan talent showcase) will commence.
Classes will move into the new facilities from the start of Week 2 of this Term. I am sure once we are in we will find some things that are not quite right or obvious defects that need to be fixed. We have 12 months to notify the builder of things we believe need to be corrected. Hopefully, this will be only a very few things.

I ask all students to be vigilant and careful. Please ensure that you treat the new facilities with the greatest of respect. As I said to you on the tours through the new facilities at the end of last term, we need these facilities to be kept in excellent condition not just for our use now but for future generations of the St Pius community. Thanks in advance for your care and appropriate use of the facilities.

Stage 2 of Master Plan
Schreiber-Hamilton Architects have produced a set of drawings of the proposed Stage 2 works at St Pius. The plans effectively provide us with two new Woodwork & one Metalwork workshops, 2 new Science Labs replacing the old labs on level 6, a new Marine Science lab and several new classrooms. We end up with a couple more classrooms than we had before the Factory Wing works commenced.

As soon as I receive updated copies of these plans I will display them for the community to see. I invite you to comment on or ask questions about the plans at any stage. Just email me.

I wish each of you a productive and enjoyable Term.

All the best.

Good Morning Vietnam!
Over 40 Year 10 students and 6 staff from St Pius X High School, Adamstown, have just returned from their inaugural but definitely annual expedition to Vietnam. After a year of meeting with World Challenge, planning, fundraising and physical training, three groups set off for 21 days of cultural immersion, adventure travel and community service.

We undertook some arduous but picturesque treks and contributed to social justice projects. We worked closely with Father Peter Thoai of Holy Trinity Parish, Blackbutt North, to determine the most meaningful way of serving the people who need it the most. Father Peter liaised with Father Binh of Sapa parish in the very north of Vietnam to establish a relationship and a project that will continue for many years in the future.

Students worked tirelessly to construct a winding path 1.2m wide up into the mountains to the ethnic minority H’Mong people. The gradient was very steep, conditions were slippery and the humidity was intense. But somehow hand-mixing and carrying concrete, working in partnership with the local people and
knowing that we were making a difference to their lives was so uplifting. The path will prevent future landslides which had claimed the lives of several families the previous year.

Funds raised from St Pius X Feast Day were presented directly to Father Binh to purchase both the materials for the path and supply electricity to a remote village of 21 families. We travelled to the area to witness the new bamboo power poles and meet the people whose lives have been transformed. One student generously gave some of her spending money to purchase thermos flasks and bowls for each family in the village. It is difficult to imagine waiting until someone else finishes a meal before you eat because you do not have enough plates for your whole family. Father Binh knew exactly what his people needed and allowed his seminarian Quan to accompany us, work with us and translate for us.

A third team of students travelled to Phan Rang and Nha Trang in South Vietnam where they taught English and interacted with children at a disabled school and orphanage. This was not an excursion where students were escorted by teachers on a prearranged packaged holiday. The young people shared the roles of leader, transport or accommodation organiser and managed the team budget.

We enjoyed some much needed R&R including cruising Ha Long Bay, having clothes tailored in Hoi An, snorkelling and cooking classes in Nha Trang and elephant rides in Dalat. The trip was an amazing opportunity to grow as a person and make the world a better place at the same time. Many thanks must go to:

- The great staff: Stuart Roff, Stephen Dunn, John Pryor, Jace Davies and David Pitfield for their willingness to dedicate their school holidays to the cause.
- World Challenge Expedition Leaders: Carla, Howie and Penny for keeping us safe
- Ministry Coordinator: Amanda Mohr for the fundraising efforts and partnership in the entire project
- Our Principal: Robert Emery who had the courage and vision to even consider something this ground breaking.
- The Year 10 students and their families who worked to pay for their own fares and were such great ambassadors for their school and their country.

“It was absolutely amazing!! I loved every second of it. Vietnam is such an amazing place, the people in our group were so much fun. I loved it.”

Bella Gray

“It was the most amazing experience. I’m glad that I took this experience. It was a beautiful place and the people, food and culture were fantastic. I hope to go back soon.”

Maddy McLachlan

“It was the best experience I have had so far. Everything was different but we adapted. It was extremely hot and humid. Bartering was fun! It was definitely worth the trip and it is something I would surely do again.”

Daniel Pennal

“Best thing ever! Wish I was still there – the people are the best. The food was amazing and the weather was so warm. Hope I can do it again soon.”

Jethro Elkington

“Loads of new experiences and memories I know that I will never forget. It was a great opportunity which I am so glad that I did.”

Joel Webber

“Fun, fun, fun for everyone!”

Georgia Kuter
“It was the best thing I have ever done. I made so many great friends and memories that I will never forget.”
Isabelle Coster

“It was a great experience. It really allowed me to step out of my comfort zone and learn about a new culture in a practical way. Would definitely recommend everyone to complete a similar trip at least once in their life.”
Joshua Donnelly

“Amazing experience! I encourage everyone to do it. Guaranteed best thing you will ever do!”

Literacy Support Programs
Lexia Reading and Reading Plus
Our school is taking part in a trial reading program called READING PLUS. This is a web-based reading intervention program which provides individualised scaffolded silent reading practice for the selected students undergoing the program. The Reading Plus Program develops and improves reading proficiency in students who have not responded to core interventions and also allows effective practice for students who are already established readers.

It is a ten week program where the student can access the technology via a computer for two thirty minute lessons within the student’s timetable as well as at least one thirty minute lesson from home per week. The majority of students who have been participating in the Lexia Reading Program this year, have been selected to continue with the Reading Plus program. Students have been timetabled into the Library or the Learning Support Centre to access computers. They will receive the highlighted timetable, detailing the lesson and the area to go to, early next week. Parents are to ensure that the program is completed by accessing it from home on a weekly basis. Permission notes have been sent home. Please sign and return these to the Learning Support Area as soon as possible. A Year 8 English class has also been selected to participate in the program Trial and their progress will be monitored on a weekly basis.

We are very excited about giving these students the opportunity to increase their reading and comprehension skills, as this will only benefit their future educational experience. The school is being supported by the Catholic Schools Office to participate in this program and results will determine the practicality and benefits of the programs use within high schools in general.

## Donations of Raffle Prizes needed for the Mothers’ Dinner
This year’s Mothers’ Dinner will be held on Friday 7 September 2012. If you own a business, such as a restaurant, hairdressing salon, women’s clothing shop, beautician etc, I would really appreciate any donation to the raffle that you are able to make. This could be in the form of a voucher or items. It would be great for the school community to get behind this venture, and support the school. All money raised will be used to replace items lost in the fire that destroyed Sr Marie Hall and in particular the invaluable resources of Mrs Simone Kelly. Donations may be left at the Office (Reception), or I can be contacted for collection on 0414830918.

As Coach of the CCC Diocesan team, I was very pleased to take five St Pius girls to the State Championship at Bathurst. Old campaigners like Isabella Gray, Airlie Davis and Maddy McLachlan were assisted by newcomers Clare Cronin and Joselyn Rae. The girls all performed magnificently and were well-led by ex St Pius girl Clare Cummings.

Winterfest Regional Cheer Competition
At the end of last term, months of hard work paid off for our two Cheerleading teams when they represented St Pius X in the scholastic division of the Australian All Star Cheerleading Federation’s regional competition – Winterfest. Newcastle Basketball Stadium was transformed into a Cheerleading and Dance Arena over the two days of the event as students of all ages competed for medallions and trophies galore. Our students were outstanding in every way, performing with enthusiasm and energy despite a last minute injury for one of the team. A huge congratulation must go to all who participated – they are a credit to the school. Coming away with a second and third place trophy, respectively, both teams are now determined to work hard for a first place at the State competition, held in Homebush, Sydney, in early September. Well done girls! We know you can do it!

Country Baseball Championships
On the weekend of the 13 and 15 July, the Country Baseball Championships were held in Wollongong. Patrick McCoy represented Newcastle in the U/16s team. They won three out of four games and then defeated Illawarra in the Grand Final 15-0 to be the U/16s Champions.

Occy’s Grom Competition
Congratulations to Jackson Baker (Year 9) on his recent victory in the Occy’s Grom Comp on the Gold Coast. This under 16 international competition is one of the biggest in the Southern hemisphere and is considered a major stepping stone for juniors hoping to forge a career in professional surfing. This week Jackson is competing in surfing state titles at Coffs Harbour and we wish him all the best.”

Second Hand Uniforms

A large number of parents have expressed the need to have second hand uniforms available. St Pius X High School will be running a new service which will enable all parents to buy/sell second hand uniform items. The service will work in the following way:

1. Parent/s will fill out a form with the details of the item/s required to buy/sell and supply a contact number. This form will be available from reception, or alternatively you may email your details to admin@adamstownsp.catholic.edu.au.

2. These details will then be advertised in a special “Second Hand Uniform” section which will be on the back page of each newsletter, which commences with this Newsletter.

3. The advertisement will run for a month or two editions of the newsletter.

4. Parent/s will simply contact the number supplied and deal direct with the person buying/selling.

Please note that no second hand uniform items will be kept by St Pius X High School.

For any further information regarding Second Hand Uniforms please contact reception.
