Dear Families and Friends of the St Pius X Community,

**Doing Your Best**

Edmond Halley, Astronomer Royal, mathematician and philosopher, once wrote of Sir Isaac Newton: “No closer to the gods can any mortal rise.” Halley paid this high tribute to Newton in reference to Newton’s monumental work of genius entitled “Philosophiae Naturalis Principia Mathematica” or “Mathematical Principles of Natural Philosophy”. In this work, Newton created a conceptual framework that underlay the practice of science until the twentieth century.

I mention Newton and his work of genius here because I think we can learn some vital lessons from them. Yes, Newton was a genius but his intelligence level is probably not the main reason for his great success. Newton had a thirst and a passion for learning and he was prepared to work tirelessly to improve his knowledge and understanding. Newton did not shy away from hard work. He spent roughly two years working at a frantic pace to create the first edition of his work. It was published in 1687. Newton spent the next forty years, the rest of his life, experimenting, re-working and improving the Principia, as well as involving himself in many other works. Genius – an advantage. Great work ethic – essential!

The fact is that being bright or brilliant or even a genius is not an end in itself. It is a gift that we are meant to use to the full. Being academically talented is a gift that is a great shame to waste. At St Pius, we have many academically talented and capable students. We have an obligation to challenge and nurture our academically capable students to work tirelessly to improve their knowledge, skills and understanding. We must gently but firmly push them to strive for excellence.

We must also fight against the growing trend developing in our society to overprotect our children from the risks, difficulties, pressures and pain of life. There is research that shows that some children are becoming too afraid of academic risk to even try. They fear the pain or inconvenience of the hard work involved in study and they fear that all that hard work may end in failure.

As parents, carers and teachers we must teach our children and students to be resilient. We must encourage and assist all students to apply full commitment to their academic development. There is no easy way to achieving your best. Consistent application to class work, homework, assessment tasks and study is essential. Every student owes it to himself or herself to strive to do this to the degree to which he or she is able. We live in a wonderful country where young people have marvellous opportunities open to them that are just not available to young people in many parts of the world. Let us encourage our students, sons and daughters to work hard in order to take advantage of the opportunities that are before them.

**WHS Management System Review**

St Pius has a very well developed and effective WHS Management System. Our WHS Policy and procedures are quite extensive. At St Pius, the following consultation arrangements have been agreed to: (1) an HSR (Health & Safety Representative) has been elected for the whole school as a work group; (2) a WHS Committee is in operation to oversee the WHS System at the school. There is a real culture of safety at the school. Staff are on the look-out at all times for safety issues and report concerns to the HSR as a matter of course.
Parents and carers can read about our WHS Management System by accessing the WHS page of the school website. Duty of Care Statements for parents & carers and for students were advertised earlier in the year. They are available on the WHS page of the website.

Earlier this year the WHS Committee conducted our annual WHS Management System Performance Review. The review procedures and the results of the review are available in Section 13 on the WHS page of the website. The school has now addressed and improved all aspects of the system that were found to be in need of improvement.

A very important part of the WHS system for parents and carers to be aware of is the Visitors Policy.

**Visitors Policy Main points:**
The following are the main points contained in the school’s Visitors Policy.

- Whilst we actively encourage an inviting and open school, the safety of our students, staff and resources remain our highest priorities.
- Visitors are defined as all people other than staff members, students, and parents/carers involved in the task of delivering or collecting children at the start or end of the school day.
- All visitors will be required to report to the Administration Office prior to undertaking any activity within the school, where they will be required to sign a “Visitors” book and will be assigned a “Visitors” badge which they must wear at all times within the school. Similarly, visitors will be required to report to the Administration Office at the end of their visit to return their badge and to “sign out” in the Visitors book.
- Visitors will be provided with information on emergency procedures, on the location of our emergency assembly point, with directions relevant to their visit and will be made aware of any construction works etc that may impact upon their safety or comfort.
- The full policy is available on the school website.

**P&F Mailing List**
If you are not already on the P&F Mailing List to receive Meeting Agendas & Minutes but would like to be, please supply your email address to the P&F Secretary at the following email address:

leanne.haberl@gmail.com with the subject: Add me to P&F Email List.

Have an excellent week everyone!

Robert Emery
Principal

St Pius X Feast Day
Though the actual feast of St Pius X is 21 August we, as a School community, celebrated yesterday with an out-of-uniform day. Money raised will go to social justice projects in Vietnam, and the local St Vincent de Paul society. Our Liturgy started off the activities with prayer and an acknowledgment of who we are as the St Pius X High School community. Thanks to all those involved in the preparation of the day. Names and a more formal ‘thank you’, and the amount raised, will be made in the next Newsletter.

Special Needs Mass
The Annual Diocesan Special Needs Mass is being celebrated at St Therese’s Church, New Lambton next Tuesday evening 27 August at 7.00pm. All are invited to this wonderful celebration especially for our special needs students and the work done by the teachers for them.

Special Feasts
This week we celebrate:
Tuesday 20 August: St Bernard, abbot and Doctor of the Church
Wednesday 21 August: Actual Feast Day of St Pius X
Thursday 22 August: Queenship of Mary

Have a good fortnight.

Tony Worner
Ministry Coordinator

Year 7 and 8 Food Technology
I am always amazed at the outstanding calibre of cooking projects that come from Year 7 and Year 8. This week, some students have been completed their practical assessment which involved designing and making a healthy brunch item.

The students created meals of a wide variety including bacon and egg muffins, french toast, baked eggs, layered breakfast mueslis, omelettes and fruit salads. It is fantastic to see the enthusiasm they had for presentation and creativity. I hope that all parents are encouraging their children to get into the kitchen and learn how to make simple meals from basic ingredients.

I will also let you in on a little secret – after they complete the Food Technology unit in Year 7 and Year 8 they are more than capable of making spaghetti bolognaise, breakfast meals and biscuits – and they can wash up.

Pictured meals are from Year 7: layered muesli by Charlie Harrison, french toast by Sophia Gavrill, and baked eggs with croissant by Lillia Grubb.

TAS Teacher
Uni NSW Science Competition Results
Congratulations to the following students on their result in the University of NSW Science Competition:

Credit
William Davis (Year 7), Alexander Edwards (Year 8), Matthew Blore, Thomas Newman, James Seldon (Year 10).

Participation
Arthur Hondermarck (Year 7), Rose Cousins (Year 8), Chloe Wilkins, Eliza Cook, Gabrielle Smith, Daniel Willis (Year 9), Phoebe Cousins, Victor Hondermarck, Alessia Sakoff (Year 10).

Mandy Willis
Science Teacher

Are we losing the Art of Communication?
There are some interesting articles in the Aurora this month about technology and ensuring that you are the master of it and not the other way around. Some families have been having a “Facebook Fast” giving Facebook a miss for a while, to instead, talk to each other and communicate face to face, this perhaps being a dying art.

It seems that everyone has their own idea when it comes to the safe use of technology. When a school, that our youngest son attends, decided to get computers, in the form of tablets, (for our child’s year) we were conservatively happy about it. The reality is you can buy your child any device in the name of helping them with their education, but they are only a tool - a very useful tool but nothing more and nothing less.

A computer, tablet or smart phone, are only devices that may help your child, but their purchase doesn’t guarantee success at school. They cannot do any assessment or test for your child. Using them to your advantage to assist you is the smartest idea – smarter than any smart phone!

I heard during the week of one our Diocesan schools that makes the students in Year 12 write all their work (heaven forbid!), to prepare them for the HSC when they have to write for extended periods. This is something that we are less and less used to. Remember, ultimately you decide what is healthy and acceptable for your child in managing the use of any computerised device. A simple rule we have in our house is no phones at the table (for any of us) and TV off, so we can do that ancient thing and talk. Some of the best conversations happen just when we are not expecting it. Here are a couple of links to take a look at on this subject.

Cyber Safety
Helpful information especially for parents for gaming etc.

Contract for I-Phone usage: something for everyone in this.

Dear Parents & Friends of

Year 10 Drama Elective Students

Thursday 29 August
Theatre Performance
Year 10 Drama Students
“Romeo and Juliet”
7.00pm
The Factory Theatre (St Pius X High School)
(No Intermission – Performance is about 1 hour)

Probably the most famous theatre practitioner ever – William Shakespeare! This year, at the humble abode of St Pius X High School, Ms Bartley and her Year 10 Drama students have tackled the most famous romantic work of the theatre’s most famous genius. Are we up to the task? Well you will have to tell us….however, a couple of points to note that may reassure you: Shakespeare’s original play went for 2½ hours, we have created an edited version that shrinks it down to about an hour. Also some people find Shakespearean language to be a little like…..how shall we say…a gibberish foreign language, we have simplified the language for you so that hopefully you won’t have to keep turning to the person next to you inquiring about what is going on, only to discover that your neighbour is equally flummoxed. So don’t be frightened or in a state of mild dread, come along and support us and be ready to enjoy yourself!

Tickets will be sold at the door on the night from 6.00pm, at a cost of $10 Adult, $5 Student and $20 Family. There is ample seating (about 600 seats), however it will be a case of first in best dressed for the seating down the front that is close to the stage.

We look forward to seeing you on the night.

Rachael Bartley
Drama Teacher
Year 10 Drama students
Sporting News

Dio Athletics
The Diocesan of Maitland/Newcastle Athletics carnival was held recently at Glendale Athletics Centre. A detailed list of results will be published in a future edition. The following students have been selected to represent the Diocesan at the NSWCCC Athletics Championships held at Homebush Athletics Centre later this term. Finn Carlin was the Diocesan Under 13 Age Champion and the SPX Boys Team won the Diocesan Point Score.

GIRLS
Maya Kurjakovic 12yrs 100m, 200m, Jnr 4x100m Relay
Isabel Palmer 12yrs 800m
Erin Cullen 13yrs 100m, Hurdles, Jnr 4x100m Relay
Emily Whelan 13yrs High Jump
Rose Davies 14yrs 800m, 1500m
Emily Grant 14yrs Javelin
Tayla Cannon 15yrs 200m, 400m
Hannah Simmons 15yrs 1500m
Alex Delbridge 15yrs 800m
Taliah Darcy-Shaw 17ys 400m
Isabel De Laurentis Jnr 4x100m Relay
Amelia Latunin Jnr 4x100m Relay

BOYS
Reed Van Huisstede 12yrs 800m, 1500m
Finn Carlin 13yrs Shot Put
Tex Hoy 14yrs 100m
Connor Lynch 14yrs 200m
Maxwell Cates 14yrs Shot Put
Daniel Byrne 16yrs 200m
Samuel Curzi 16yrs Shot Put
Jordon Thorley 17yrs High Jump
Tyler Kelly Open Triple Jump

Rugby Union
The U15 Coast to Country Cup was held recently at Waratah oval. SPX was represented by the following students: Max Stone, Quinn O’Leary, Kelly Byrne, Levi Borrelli, Charlie Kelleher, Rhys Bray, Jasper Darcy-Shaw, Maxwell Cates, Eli McCulloch, Connor Mulhearn, Jack Smith, Finn Carlin, Connor Lynch, Tex Hoy, Ethan Fowles, Hamish McKie, Noah Smith, Reed Van Huisstede, Valentino Vangelov, Mason Pippen.

After some outstanding performances the team has qualified for the state championships which will be held in Foster later this term.
Game 1: defeated Merewether High 31-0
Game 2: defeated Hunter River High 48-0
Game 3: defeated Tomoree High 12-0
Game 4: defeated Newcastle High 28-5
NSWCCC Netball Carnival Penrith 2013
While the rest of the School’s student population were enjoying a pupil-free day last Wednesday, 29 girls, three staff, five parents and one grandparent left at 5.30am for the NSW CCC Netball Championships in Penrith. Conditions were perfect for netball and the girls were wonderful representatives for their school displaying good manners, a sense of fun, determination, good sportsmanship and a high level of Netball skills.

Our Year 10 team played in the Open (Years 11 and 12) division, so performed admirably, winning four out of seven games. The Intermediates won four games and drew one out of their eight. The Junior team won four out of their eight games.

**Coaches**
Resiliency Robbers

All parents have the best of intentions when raising kids. Wanting what is best for kids can cause parents to make decisions that are not always in their (children’s) long-term best interests.

If you buy the line that the promotion of resilience is in the best interests of kids then check out the following common parenting mistakes that reduce children’s resilience.

Robber # 1:
Fight all their battles for them
Nothing wrong with going into bat when kids struggle or meet with difficulty inside or outside school but make sure this is the last resort, not the first option.

- Resilience notion # 1: Give kids the opportunity to develop their own resourcefulness.

Robber # 2:
Make their problem, your problem
Sometimes parents can take too much responsibility for issues that are really up to children to work out or decide. Here’s a clue if you are wondering what I am talking about: a jumper is something a mother puts on her son when she is cold!

- Resilience notion # 2: Make their problem, their problem.

Robber # 3:
Give kids too much voice
In this era of giving children a voice it is easy to go overboard and allow them too much of a say in what happens to them. Kids often take the easy option to avoid hard or unpleasant situations.

- Resilience notion # 3: Make decisions for kids and expect them to adjust and cope.

Robber # 4:
Put unrealistic or relentless pressure on kids to perform
Expectations about success and achievement are important. Too low and kids will meet them. Too high and kids can give up. Too much and kids can experience anxiety.

- Resilience notion # 4: Keep expectations in line with children’s abilities and don’t put excessive pressure on them.

Robber # 5:
Let kids give in too easily
Resilient learners link success with effort. They don’t give up because they don’t like a teacher or when confronted with multi-step or more complex activities. Similarly they don’t bail out of a sporting term half way through the season because the team is not winning or they are not enjoying it.

- Resilience notion # 5: Encourage kids to complete what they have started even if the results aren’t perfect.

Robber # 6:
Neglect to develop independence
Don’t wait until they are teenagers to develop the skills of independent living. Start early and promote a broad skill set so that they can look after themselves if you are not around.

- Resilience notion # 6: Don’t routinely do for kids what they can do for themselves.

Robber # 7:
Rescue kids from challenging or stretch situations
There are many times kids are put in situations that are outside their comfort zones for a time. For instance, giving a talk, singing at the school concert or going on school camp may be challenges for some kids. They are all situations that kids usually cope with so show your confidence in them and skill them up rather than opt for avoidance.

- Resilience notion # 7: Overcoming challenges enables kids to grow and improve.

Sometimes the manageable hardships that children experience such as a friend moving away, not being invited to a party or completing a difficult school project are fabulous learning opportunities.

They help kids to stretch and grow. Dealing with them effectively also teaches kids that they are capable of coping when they meet some of life’s curve balls.

And that is a huge lesson to learn at any age.
Invitation

16th Annual Special Needs Mass
Tuesday 27 August
7.00pm
St Therese’s Catholic Church
New Lambton

The Special Needs Working Party of the Federation of P & F Associations
Warmly invites all Families and Friends of Children with Special Needs,
Teachers, Principals, School Staff, all students in our schools and all Parishioners
to join together to celebrate our Annual Special Needs Mass.

Please join us for supper following Mass in the Parish hall.
No RSVP required, however for further details, please contac

Email: cath.garrett-jones@mn.catholic.edu

We are all Chosen by God
Find Your Own Groove! Learn the Bass Guitar!

My name is Jarrod Gibson and I am excited to announce that I am the new Bass teacher at St Pius. I am a touring/session musician who has played all over Australia and overseas. I have performed with many acts including artists from:

- Australia’s Got Talent
- Australian Idol
- Aria charting artists
- Many Newcastle acts and artists
- I’ve also recorded on many albums

After completing my Music Degree last year I have decided to focus my time into passing on my knowledge and experiences onto students who wish to learn how to play and express themselves on the bass guitar. I teach a wide variety of styles, from crash courses in rock and blues, to jazz theory and performance. Learn how to play like your favourite bass players and learn your favourite techniques.

I will be teaching on a Monday at St Pius. If you see me around please come and say hello or contact me now for available times and all other enquiries on:

Phone: 0404 223 598
E-mail: info@jarrodgibsonmusic.com
Rock Band Meets Orchestra

ROCKESTRA is now recruiting new members!! So if you can play an instrument, come along to our rehearsal for some musical fun!

ROCKESTRA has been designed to incorporate the sounds of a rock band meets orchestra.

This group is a combination of instruments ranging from a rock band, brass instruments, wood-wind instruments through to violins and the string family. The elements of a classical orchestra will meet with the modern day sounds of a rock band to form a SUPER group: ROCKESTRA!!

We are now recruiting members and are especially targeting Year 7 and Year 8, so come and see what we are all about.

If you are interested in joining ROCKESTRA, please come and see Mrs Elgar to put your name down.

**Timetable for 2013 rehearsals:**

<table>
<thead>
<tr>
<th>WEEK A</th>

Second Hand Uniforms

A large number of parents have expressed the need to have second hand uniforms available. St Pius X High School will be running a new service which will enable all parents to buy/sell second hand uniform items. The service will work in the following way:

1. Parent/s will fill out a form with the details of the item/s required to buy/sell and supply a contact number. This form will be available from reception, or alternatively you may email your details to admin@adamstownsp.catholic.edu.au.

2. These details will then be advertised in a special “Second Hand Uniform” section which will be on the back page of each newsletter, which commences with this Newsletter.

3. The advertisement will run for a month or two editions of the newsletter.

4. Parent/s will simply contact the number supplied and deal direct with the person buying/selling.

Please note that no second hand uniform items will be kept by St Pius X High School.

For any further information regarding Second Hand Uniforms please contact reception.
