Dear Families and Friends of the St Pius X Community,

Top-Class RE/Spirituality Professional Learning
As you are aware, all Diocesan secondary schools were involved in a professional development day on Monday 15 July. Teachers of Religious Studies attended a program at St Pius, while staff who do not teach Religious Studies attended a Spirituality Day at St Francis Xavier’s College, Hamilton. I attended the St Pius site. The PD program offered there was absolutely excellent. The line-up of key-note speaker and Workshop Presenters was exceptionally good. It is rare that you would see so many top-class experts in RE together on the one PD Program.

The keynote speaker, Dr Dan White, Director of Catholic Schools, Archdiocese of Sydney, engaged all present in a very informative, down-to-earth, yet inspiring presentation on Catholic Pedagogy. Each teacher then attended three workshop sessions through the day. The three that I attended – Using the Virtual Classroom, Life Skills in RE and Teaching RE through Creative Arts – were very well run and extremely practical. The feedback from the many people I spoke to on the day was the same – an excellent program.

I have only spoken to a few people who attended the program at SFX. They confirmed that the Spirituality Day was also very well run and well-received. From all reports both days were great successes. Thank you to the organising Committee and especially to Mr Michael O’Brien, Head of RE & Spirituality Services at the CSO and Mrs Anne Heaney, Education Officer – Secondary RE & Spirituality.

Brief Report on ICP 2013 Conference
During the first week of the holidays I attended the International Confederation of Principals (ICP) Conference in Cairns. This conference was attended by 1500 Principals, educational leaders & administrators from 26 countries. The conference proved to be as expected – very professional, inspiring, motivating and informative.

It is indeed a great pleasure and privilege to be able to speak to people from around the world who are involved in educational leadership. It is fascinating to hear how and why things are done in various different cultures. It is also affirming, reassuring and sometimes confronting to hear how different educational systems are addressing the challenge of providing top-class teaching and learning for their students and for their trainee teachers.

The world-class key-note and featured speakers provided stimulating input on a wide range of challenging educational topics and issues. The workshop presenters were also top-class.

That old saying about leaving the best to last was proved true. For me, the pick of the speakers was Ben Walden, the last speaker at the Conference. Ben’s chief passion is
using theatre as a medium to bring meaning, purpose and greater personal expression to the lives of young people. He used Shakespeare’s Henry V as a vehicle to present a very inspiring and emotional analysis of the essential features of inspirational leadership.

Professor Yong Zhao from the University of Oregon challenged us to focus on entrepreneurship and innovation. His main thesis was that the race for higher test scores is harmful to our society. He passionately believes that what our students and teachers need is freedom to think, freedom to invent, and freedom to differ from bureaucratically delivered norms. He presented many pieces of evidence in support of his views. One of these was statistics from the USA showing the significant decline in the creativity of students over the past two decades, which coincides with waves of educational changes designed to boost student test scores.

Personally, I would love to see Australia reduce the emphasis placed by government on standardized testing. NAPLAN tests, for instance, do provide useful information to allow schools to improve their educational delivery in particular areas but there is no need to place these scores on a national website and compare “like schools” with one another. Standardized test scores are just one tool among a whole set of tools that can be used to improve teaching and learning. High test scores are not an end in themselves to be sought after like gold. There are many much more important outcomes of a top-class, holistic education.

General Peter Cosgrove gave an impressive and humorous talk entitled “Leadership Under Fire/Courageous Leadership”. In this he articulated the values he looks for in a leader – integrity, courage, compassion, humility and good communication.

Tim Costello spoke powerfully about the transition from nation states to a globalized world and about the consequences and effects of this transition. He talked about how education and teachers are central to the formation of young people with a real sense of and preparedness to be actively involved in social justice initiatives. He spoke about how important it is for all teachers to be leaders who help young people come to an understanding of their “calling” in life through getting to know themselves well. He stressed the importance of developing good citizens with strong, healthy values – “the measure of who you are is the daily small things”. Tim challenged governments to re-think their philosophy on education – it is “an investment not a cost”.

Andreas Schleicher is Deputy Director for Education and Special Advisor on Education Policy to OECD’s Secretary-General. Andreas is passionate about our need to change instructional practice. Teachers need to collaborate. They need to view one another’s lessons. They need to critique one another’s efforts in professional dialogues. They need to share ideas, experience and resources. Andreas also emphasized the need for teachers to be involved in setting the curriculum and outcomes rather than leaving this to government agencies or education ministers. When asked the obvious question – “well, that’s OK to say but how can we possibly force governments to do this?” – he pointed to countries like Singapore & Japan where it happens and said that the education & parent communities need to bring pressure to bare by requesting such change.

There were many other uplifting speakers and workshop presenters. By the end of the conference my brain was racing with excitement. Don’t panic! I don’t have a hundred new ideas that I think we should implement. What I do have is a reassuring sense that St Pius X High School is headed in the right direction. We are open to and working towards new ways of teaching and learning. We are developing a sense of the need for greater collaboration and teamwork in our planning and teaching. We are keenly aware of the
social and economic changes that are happening in our globalized world and we are truly striving to respond to these in appropriate ways. We are striving to deliver the best possible education to our students and to form good citizens of and for the world.

Onwards and upwards!

Address of ICP Conference notes page.

Address for information on speakers.

“World Class Learners” by Yong Zhao (published by Corwin, 2012) – a great read.

Principal

The Passing of Mrs Trudy Pawlik
Over the holidays we received the news that Mrs Trudy Pawlik passed away after a long battle with cancer. Trudy was a long-time casual here at St Pius. She was loved and highly respected by everyone who met her. Trudy was a passionate and thoroughly professional teacher who brought joy to everyone she met. She is survived by her husband Henry, and children Brent, Loren, Blair and Dayne.

Trudy was one of those rare gems: always positive, amazingly generous, extremely talented and always kind, humble and caring. She spent a lot of time teaching art to younger children in our local primary schools. She & Henry were heavily involved in the Adamstown Rosebuds Soccer Club.

Trudy will always be part of St Pius. She did so many good things for the school. The Sports banners that she designed and created were beautiful and perfectly representative of the charism of each of the Houses for which they were made. The beautiful banner on the homepage of our school website is a Trudy Pawlik creation.

We will all miss Trudy very much. We pray for Henry and all of her family over the coming weeks and months. Eternal rest grant unto her O Lord and let perpetual light shine upon her. May Trudy rest in peace.

Retirement of Mr Dean

Mr Rod Dean has made the decision to take long service leave for the rest of this term and then to retire. Rod has been a teacher here at St Pius for 18 years and has been teaching for a total of 37 years. In the time I have known Rod, I have come to know that he is an excellent teacher, a teacher who is highly respected and admired by staff, students & parents.

One of my favourite quotes is the one that says that: A teacher touches eternity. I know that in his long career Rod will have made a real and very positive difference to the lives of countless people. The staff will have a chance later in the year to celebrate Rod's contribution to St Pius and to farewell him.

I congratulate Rod on making this tough decision and I know you will all join with me in thanking Rod for everything that he has done and been here at St Pius and throughout his career.

We wish you all the best Rod, for a long & happy retirement.

God Bless.

Bob Emery.
GREETINGS FROM WORLD CHALLENGERS – VIETNAM
On very early, wet and cold June morning, three teams of students along with teachers; Stephen Dunn, John Pryor, Peter Richards and Helen Davies embarked on a three week World Challenge trip to Northern Vietnam. Whilst the group was full of excitement and anticipation of what was to come, we could not fully realise the amazing opportunities, the physical effort, and emotional challenges that lay ahead.

Each group visited the same locations and worked on the same projects, but in different rotation. We all landed in Hanoi together, but from here we stayed with our respective groups until we met up again at the end of the trip. From Hanoi we embarked on the first phases of our trip. Team 1 to the Loa Cha village project, Team 2 to Sapa for trekking and Team 3 headed south to Hoi An for the Homeless and Disabled Centre project. Each phase consisted of an immersion experience either directly with the people associated with the project or through our homestays where we were accommodated in family homes along with the pigs, chickens, buffalos and various other wildlife.

Regardless of where we were staying or what particular aspect we were working on, we were always treated with generous hospitality and warmth from the local people. This is where we were able to witness the strength of the local culture. We came to understand and learn from these people that their happiness comes from their relationships with each other and is certainly not reliant upon material possessions. On one of the projects, we saw how village children played a game with squashed tetra paks that we had discarded after lunch. They used their imagination to make up rules and made sure to include all the kids in the game. The laughter and enjoyment that they demonstrated was a wonderful lesson in social harmony.

The World Challenge experience also provides opportunity for students to develop their leadership, decision making and problem solving skills. It was their responsibility to arrange transport, accommodation and food and not exceed their budget allocations. They had to work with each other to consider everyone’s opinion, but ultimately make decisions that were in the best interests of all group members. They did an amazing job; learning how to ask questions and seek information when required. As teachers, we could see their confidence growing as the trip progressed.

Vietnam is a wonderfully diverse and beautiful country. The expedition was not a holiday. It provides opportunities that are vastly different from the usual tourist destinations and family holiday experience. The challenges of the trip were constant, but what a sense of achievement we all felt when we reached them individually with the support and encouragement of our team members. It is an experience that every challenger or teacher leader would highly recommend.

Helen Davies.
INVITATION

TO PARENTS & CAREGIVERS OF STUDENTS OF ST PIUS X ADAMSTOWN

WHAT: Parent and Care Giver Consultation: Secondary Education Study
WHERE: St Pius X Park Avenue, Adamstown.
WHEN: August 6th 6pm to 7.30pm
RSVP: ellen.davis-meehan@mn.catholic.edu.au

Recently you would have received a letter or e-mail about a Study into the Provision of Secondary Education that is being undertaken by the Catholic Schools Office. You are invited to have input in a number of ways as you have a stake in what happens in secondary education in the Diocese. There will be surveys and calls for submissions (through the CSO website) and meetings and other consultations.

This letter is to invite you to the first meeting scheduled for St Pius High School on TUESDAY AUGUST 6th. The meeting will be between 6 and 7.30pm in The Factory Theatre, St Pius X HS, Park Ave, Adamstown.

The purpose of the meeting is to hear from parents about what they value about the current system and to ask the community about its hopes and aspirations for the future. It is a LISTENING meeting. There will be a 15 minute introduction from the CSO Steering Group and then there will be workshop style input from parents. You will get to talk with other parents and tell us what is important to you and your child.

These meetings will feed into the survey and other research. Feedback will be provided to schools throughout the course of the Study which will continue for the remainder of this year.

“We want to hear from our community and education experts on the best way to provide the highest quality education across the diocese. The study will ensure the great strengths of the current schooling arrangements are retained, while responding to change and demographic pressure with innovation and creativity.” Ray Collins Director of Schools.

This Study will consider what the community values and what needs to change to produce even better student outcomes. The CSO needs to know where to build new schools. We know there is not a single answer or model to be applied across the diocese. We know our communities are diverse and each school community has its individual needs and aspirations. We also know that we have to provide for the best outcomes across the diocese with the resources available.

We hope that you are able to attend this meeting; and if not participate in some other way. The CSO webpage is the portal for your participation. It will detail meeting dates, include links to Submission templates and surveys and share updates about the Study as it progresses. http://www.mn.catholic.edu.au/study

You can register your intention to attend this meeting by e-mailing the Study Facilitator (Ellen Davis-Meehan) or ringing the Catholic Schools office and leaving a message with Gail Hill (T: 49791207)

Curriculum

Year 8 Electives for 2014

It is time for Year 8 students to choose their two electives for Years 9 and 10. St Pius X offers a wide range of Elective subjects and this is always an exciting time for students as they get the opportunity to take up the study of an area of interest.

During the week 22 – 26 July, I will meet with the students to explain the process that they will need to follow and provide them with the Elective Handbook. If they are away and miss this meeting, Elective handbooks will be available at Student Services.

On Monday 29 July there will be an information evening on Electives for parents in the Theaetrette between 7.00pm – 8.00pm. I will provide an explanation of the elective process and the place of elective subjects in the Record of Student Achievement (RoSA). Several Studies Coordinators will also be available to provide subject specific information.

Please remember that care needs to be taken when selecting electives. Students nominate three subjects and most will receive one if not both of their first two choices. Where possible, some minor changes are accommodated in the first five weeks of Term 1 but after this, students and parents should not expect to make changes to elective subjects.

I look forward to seeing parents at the Elective Night on Monday 29 July 2013 at 7.00pm.

Stephen Dunn
Assistant Principal
Dean of Studies

Ministry Reflection

This week we celebrate three very important and very different feasts of the Catholic Church - the feasts of St Mary Magdalene (Monday 22 July), St James the Apostle (Thursday 25 July) and Sts Joachim and Ann, the parents of Mary (Friday 26 July).

Mary Magdalene is known as the ‘apostle of the apostles’ in her role as a person who went with Jesus on each of his preaching journeys. She followed Jesus to Calvary, and she stayed with him until he died. She was one of the women who went to the tomb to anoint his body, and was the first to see the risen Lord.

James and his brother John were working as fishermen when Jesus called them to be his disciples. They must have been energetic and excitable people, as Jesus nicknamed them ‘sons of thunder’. James was one of the three closest apostles to Jesus. He was present when Jesus raised the daughter of Jairus from the dead and was with Jesus in the Garden of Olives.

Joachim and Ann the parents of Mary and Jesus’ grandparents! Legend tells us that they waited for many years to conceive a child before Mary was born, and then took her to the Temple at the age of three to dedicate her to God.

All three feasts are about the importance of relationships. They remind us to look at our own relationship with our friends, our parents and our God. What do we need to do to keep these relationships alive, to foster and nurture them?

Change of Date

We will celebrate St Pius Feast Day on Tuesday 20 August.

Tony Worner
Ministry Coordinator
Careers
Study Skills Session for Year 10
The University runs an outreach school based program called ‘Friends on Campus’.

Friends on Campus is a transition program for high school students thinking about studying at university. Staff and senior university students who have excelled in their studies and are active in Peer Mentoring roles, deliver info sessions to small working groups of school students. School students will participate in a study skills session, be able to ask questions and seek advice from university students and staff about moving from high school to university. This is an opportunity for our Year 10 students to think about their subject choices for Year 11/12 and how that can support their future tertiary studies.

The session will run at the school on Wednesday 24 July during the extended Care Class time and period 1.

Lisa McCarthy
Careers Advisor

Pastoral Care
I would like to introduce myself. My name is Bronwyn Melville and I am the new Pastoral Care Worker at St Pius X High School. I will be working Tuesday, Wednesday and Thursday each week. My role is to support students and staff in their emotional and spiritual needs. This may be to organise and implement programs or assist in doing so, enabling the staff and students to fulfill their roles and help make the time at school for everyone as productive and enjoyable experience.

This is all done under the banner of our Catholic faith – this is what makes us different from other education systems. To be Catholic is to be first a disciple. What does this mean? For me it means that everyone is unique, important and irreplaceable, and that we are all in this together. Jesus said that we should “Love God” and then “Love one another”; and this is our challenge. Look out for your neighbours and be a friend to those in need. This may be as small as saying hello to someone who is having a bad day, even if they are not in your group of friends.

So as your Pastoral Care Worker I am very pleased to be here and to be welcomed by such an excellent staff. In all my years of working I have never felt as welcomed and supported as I have in the past few days. Thank you to the staff and the students I have met so far for making my transition to St Pius X life such a warm experience.

Please call in to see me and if I am not here leave a message for me and I will get back to you as soon as I can. Ask for directions from the wonderful ladies in the Office – I am in Room 421.

Bronwyn Melville
Pastoral Care Worker

UNSW Minerals Summer School (UMSS)
Monday 13 Thursday to 16 January 2014
Students currently in Year 10 or 11, interested in Science or Engineering and studying/planning to study subjects such as Physics, Mathematics (Advanced), Engineering, Earth and Environmental Studies may be interested in a unique opportunity to get inside the Minerals Industry as part of the four day residential UNSW Minerals Summer School (UMSS). Learn about study, careers, lifestyles and opportunities in the Australian minerals industry from professionals, current students and recent graduates.

For more information, and to apply, go to www.mining.unsw.edu.au/UMSS_2014application

Sporting News

Year 7/8 Girls Oztag
During Term 2 we have had two St Pius X teams participating in the Girls 7/8 Oztag Competition held at National Park on a Friday afternoon for Representative Sport. Our two teams, St Pius X Gold and St Pius X Maroon, played consistently well throughout the term and ended up finishing in first and second position respectively. This meant an all Pius Grand Final.

In the Grand Final, St Pius X Gold dominated the early stages and quickly established a 4-0 lead which they took into halftime. This wasn’t surprising, as St Pius X Gold had gone through the round games undefeated. However, St Pius X Maroon were not going to go down without a fight. Showing great determination, they clawed their way back in the second half. When the full time whistle went, the two teams were locked up at 5-5.

St Pius X Gold regrouped in the extra time period and threatened St Pius X Maroon’s line but it was an Erin Cullen intercept that sealed the victory for the Maroon side in a very exciting and tense Grand Final.

I would like to congratulate both teams for the way they represented the school throughout the term. It was a pleasure to coach you both. I also think it is a wonderful endorsement of girls sport at our school that while some schools are struggling to field one team, we were able to field two very competitive teams. It’s great to see so many girls choosing to represent their school and have a run on a Friday afternoon.

Try scorers in the Grand Final were:
Gold 5: Nicole Nathan (3 tries), Elise Jones (2 tries).

Our teams were:
Gold: Nicole Nathan, Leilani Nathan, Molly McLoughlin, Rose Davies, Siane Fonua, Madeleine Levey, Greer Jenkins Fearon, Laura Slatter, Isabelle Smith, Elise Jones, Cavelle McLeod.
Maroon: Isabel Zander, Alek Mathiang, Erin Cullen, Cassidy Fleming, Lili Flook, Genevieve Franks, Shelby Candian, Emily Shaw, Jennifer Stefanoff, Maddison Burwell, Dakoda Nechakoski.

Megan Edwards
Oztag Coach

Surfing
Talented surfer Jackson Baker from Year 10 is away next week competing in the State titles in Sydney. We wish him well.

Jackson is currently in a world-wide voting competition called The King of the Groms. Winners of this competition will be given the opportunity to compete in France later this year. The voting can only be done once through each individuals Face Book account by clicking on the following link: http://quicksilver.com/kotg/2013/home,vote,455.en.html Please get behind Jackson!
St Pius X Rugby League

2013 has been another really successful year for Rugby League at St Pius. We entered three teams (U/13, U/14 and a combined 15/16’s team) in the Knights Knockout competition. All three teams won the Newcastle City region in their age group, beating schools including: Kotara High, Newcastle High, Merewether High, Lambton High and San Clemente. Each of our teams progressed into the Quarter finals against winners from other regions.

U/13’s:
Unfortunately our U/13 team were drawn against a very strong side from St Josephs Lochinvar in the Quarter-final. After being dominated early they fought back well in the second half but unfortunately they were eliminated from the competition. St Joseph’s went on to win the title.

A selection of players from this team will have the opportunity to compete in a Rugby League Sevens tournament later in Term 3.

Team members:
Luca Crook
Charlie Harrison
Isaac Gulliver
Toby Boggaerts
John Robinson
Reede Van Huisstede
Tom Biddle
Finn Carlin
Brodie Bradford
Zachariah Robinson
Karlos Lendich
Valentino Vangelov
Nick Haggerty
Andre Savaiinea
Matt Hickey
Harrison Dalmolin
Jack Mackay
Charlie Ross
Henry Pringle

U/14’s
After hard fought wins in the Quarter finals and Semi finals, our U/14 team once again qualified for the Knights knockout Grand-final and played St Josephs Lochinvar at Hunter Stadium on Wednesday. They were attempting to defend their title of Champions from last year where they continued to the State finals and finished second in the state.

Unfortunately we were outplayed on the day by a more enthusiastic and determined Lochinvar team and went down 25-10.

Earlier in the year, this team also competed in the Cochrane Cup which is a statewide competition for Catholic schools. After progressing through the rounds undefeated, an anomaly in the draw forced us to take on the other undefeated team in the Semi-finals and after leading all game, we conceded a try after the bell and went down 12-10.

Team members
Tex Hoy
Joel Okumu
Jack Smith
Connor Mulhearn
Mason Pippen
Rhys Bray
Charlie Kelleher
Beau Walmsley
Brandyn Perry
Hamish McKie
Darby Richardson
Max Cates
Lachlan Miller             Connor Lynch
Ethan Fowles               Zac Robinson
Jasper Darcy Shaw         Eli McCulloch

U15&16s
Their great performance in the qualifying rounds was backed up with an impressive victory over St Josephs Aberdeen in the Quarter-finals.

Unfortunately, injuries to some key players left us with a weakened team in the Semi-final and we were outclassed by St Josephs Lochinvar and eliminated from the competition one game short of the final.

Team members:

Joe Woods               Darcy Campbell
Patrick Gleeson         Jonathon Curk
Darcy Ryan              Connor Sheridan
Nick Sykiotis           Jack Young
Jarrod Balcomb          Isaac Robinson
Matthew Hopson          Bryce Kennedy
Harrison Brake          Cameron Poole
Harry McCansh           Tom Newman

Members of this team will be selected to represent the school in the University Sevens tournament in an attempt to defend the title they won last year.

Representative players:
Congratulations must also go to the following players who were selected in a variety of Rugby League representative teams in 2013:

Jarrod Balcomb: Newcastle Knights Chargers, Newcastle Diocesan U/15’s, Northern Country CCC U/15’s, Country Catholic Schools U/15’s and Newcastle Schoolboys U/15’s
Will Davies: Newcastle Knights Chargers, Newcastle Diocesan U/15’s and Newcastle Schoolboys U/15’s
Tex Hoy: Newcastle Knights Talented Players Identification squad, Newcastle Diocesan U/15’s and Newcastle Schoolboys U/14’s
Rhys Bray: Newcastle Knights Talented Players Identification squad and Newcastle Schoolboys U/14’s
Finn Carlin: NSWRL Talented Players Identification squad and Newcastle Schoolboys U/13’s
Luca Crook and Nicholas Haggerty Newcastle Schoolboys U/13’s rep squad.

Special thanks to Mr Harrison, Mr Pitfield, Mr Courtney and Mr Vitnell who have all assisted with coaching and managing these teams throughout the year. Without their support we would not have been able to enter teams in these competitions.

Second Hand Uniforms

A large number of parents have expressed the need to have second hand uniforms available. St Pius X High School will be running a new service which will enable all parents to buy/sell second hand uniform items. The service will work in the following way:

1. Parent/s will fill out a form with the details of the item/s required to buy/sell and supply a contact number. This form will be available from reception, or alternatively you may email your details to admin@adamstownsp.catholic.edu.au.

2. These details will then be advertised in a special “Second Hand Uniform” section which will be on the back page of each newsletter, which commences with this Newsletter.

3. The advertisement will run for a month or two editions of the newsletter.

4. Parent/s will simply contact the number supplied and deal direct with the person buying/selling.

Please note that no second hand uniform items will be kept by St Pius X High School.

For any further information regarding Second Hand Uniforms please contact reception.
