Dear Families and Friends of the St Pius X Community,

**Evangelii Gaudium (The Joy of the Gospel)**

In his 48,000 word apostolic exhortation, Evangelii Gaudium, released in November last year, Pope Francis wrote about a huge range of issues concerning the Church. It is the most reader-friendly, easily comprehensible Church document I have ever read. It is refreshing and inspiring to read what Pope Francis has written. A few of my favourite quotes follow:

The joy of the Gospel is such that it cannot be taken away from us by anyone or anything (cf. Jn 16:22).

I dream of a ‘missionary option’, that is, a missionary impulse capable of transforming everything, so that the Church’s customs, ways of doing things, times and schedules, language and structures can be suitably channeled for the evangelization of today’s world rather than for her self-preservation.

We are living in an information-driven society which bombards us indiscriminately with data – all treated as being of equal importance – and which leads to remarkable superficiality in the area of moral discernment. In response, we need to provide an education which teaches critical thinking and encourages the development of mature moral values.

Faith is not fearful of reason; on the contrary, it seeks and trusts reason, since ‘the light of reason and the light of faith both come from God’ and cannot contradict each other. Evangelization is attentive to scientific advances and wishes to shed on them the light of faith and the natural law so that they will remain respectful of the centrality and supreme value of the human person at every stage of life. All of society can be enriched thanks to this dialogue, which opens up new horizons for thought and expands the possibilities of reason. This too is a path of harmony and peace.

One of the more serious temptations which stifle boldness and zeal is a defeatism which turns us into querulous and disillusioned pessimists, “sourpusses”.

Mmm ….. this is probably the first time ever that the term “sourpusses” has appeared in a papal document.

Nationally Consistent Data Collection
All Australian governments agree that every child in an Australian school, regardless of his or her circumstances, has the right to a high quality and inclusive education that meets his or her needs. Better information about school students with disability will assist teachers, principals and education authorities to support their participation in schooling on the same basis as students without disability. To that end, every school in Australia from 2015 onwards must supply data to the relevant government authority on the number of students with disabilities, the adjustments provided by the school for those students and the student’s type of disability. Privacy and confidentiality of all students will be protected. When data is reported by the relevant government authority no individual student will be able to be identified. For further details please read the fact sheet later in this edition of the Lion.

Tablet Computers
I remind all parents and carers that Year 9 students need to have a suitable tablet computer ready to bring to class from Week 7 of this term onwards. Year 7 will need their tablets from Term 3 Week 3. All teachers will be using the tablets in class from those dates onwards.

Information relevant to the tablet program is located on our school website (on the News & Events page). A summary of each Faculty’s plans for the use of tablets in assisting learning in the classroom is also available on the website (on the Learning Technology page). If you need further information or assistance please contact the school without delay.

Have a wonderful week!

Nationally Consistent Collection of Data
School Students with Disability

Information for Parents/Carers

All Australian governments have agreed to work together to implement a new annual national data collection on school students with disability. This data collection process is being phased in over a three year period in 2013-2015.

The first two years will be a transition period. This means that all schools will begin preparing for participating in the collection from 2013.

In 2015, the first full national collection of data on school students with disability will take place in all Australian schools. From then on, this data collection will occur in every school every year, along with other school data collections.

WHY INTRODUCE A NATIONAL COLLECTION OF DATA ON SCHOOL STUDENTS WITH DISABILITY?

All Australian governments agree that every child in an Australian school, regardless of his or her circumstances, has the right to a high quality and inclusive education that meets his or her needs.

Better information about school students with disability will assist teachers, principals and education authorities to support their participation in schooling on the same basis as students without disability.

HOW WILL IT BENEFIT MY CHILD?

There are students with disability in every school in Australia at some point. This means that every school needs to be ready and able to support students with disability to ensure that any obstacles to participation and achievement in their school education are identified and minimised.

This new national data collection will reinforce the actions required of schools under the national Disability Discrimination Act 1992 and the Disability Standards for Education 2005. These laws mean that schools and education systems are required to make, where needed, reasonable adjustments for students with disability.

An adjustment is a measure or action taken to assist a student with disability to participate in education on the same basis as other students. Adjustments can be made across the whole school setting, in the classroom and at the individual level.

Determining the level and type of support needed for an individual student is not a new activity for Australian schools.

Currently there is only limited and inconsistent information available at a national level about school students with disability, their educational needs and the support provided to them.

The information provided by this new national data collection will enable all Australian governments to better target support and resources. That will assist students with disability in government and non-government schools across Australia to complete school and go on to further education or find employment.
WHAT INFORMATION WILL BE COLLECTED?

The following information will be collected annually at the school level:

- the level of adjustment provided;
- the number of students receiving each level of adjustment to enable them to participate in education on the same basis as other students; and
- where known, the student’s type of disability.

WHO WILL COLLECT MY CHILD’S INFORMATION AND HOW WILL THEY DO IT?

School teams will collect evidence based on:

- consultation with parents/carers;
- their observations and professional judgements; and
- any medical diagnosis.

The evidence will be collected over at least a 10 week period. This evidence will help the school teams to determine:

- which students to include in the data collection;
- the levels of adjustment that are provided, both within and outside the classroom; and
- the broad category of disability.

In line with good teaching practice and the requirements of the Disability Standards for Education 2005, you will continue to be provided with opportunities to discuss ways to assist your child overcome barriers and the adjustments that could be made to support your child.

Principals and school teams will be supported with training to assist them to make accurate judgements.

School principals will assure the accuracy of information collected about each student.

WHICH SCHOOLS AND STUDENTS WILL BE INCLUDED?

Your child’s school principal will be advised about their school’s involvement and when the school will be participating in recording information for the data collection.

A student will only be included in the data collection if he/she meets the definition of disability under the Disability Discrimination Act 1992 and the school has evidence of this.

CAN I WITHDRAW MY CHILD’S INFORMATION FROM BEING INCLUDED IN THE NATIONAL REPORTING ACTIVITY?

You decide whether you want your child’s information to be included or not in the national reporting activity. Your school principal will forward information to you once they are participating so you can make an informed choice.

HOW WILL MY CHILD’S PRIVACY BE PROTECTED?

Protecting the privacy and confidentiality of all children and their families is a key priority.

Authorised staff in each school will manage the information to ensure that personal or confidential information is not disclosed.

Transmission of data by the school will be done in such a way that the privacy and confidentiality of all students is protected.

When data are reported it will be at the school level only and no individual student will be able to be identified in the data collection.

WHAT WILL THE INFORMATION BE USED FOR?

It is intended that the data collected about students with disability will be published on the My School website and in other national reports on schooling from 2016 onwards.

Public reporting of these data will mean more is known about how all Australian schools and education authorities support students with disability.

Australian schools and education authorities will use these data as evidence to improve their support for students with disability.

Ministry
Do ‘WE’ get it? WE ARE the Work of Christ!
'I am the Way, and the Truth, and the Life......Very truly, I tell you, the one who believes in me will also do the works that I do and, in fact, will do greater works than these, because I am going to the Father.’ John 14:1-14

If God could work through Jesus, then God can work through any other human being. God took a risk when He decided to become human. Whether or not this divine risk will be a success or failure, is up to us. When we see things that should not be happening in our world, in our communities, in our Church, in our workplace, in our families, in any relationships, it is not time to blame God for abandoning us. It is, rather, a time for serious soul searching - a time for us as individuals, as family, as community, as colleagues, as Church, as daughters and sons of God - to ask ourselves:

Why don’t we get it?
Where did we miss it?
What is God saying to us in these events and crises?
How can we get back on God’s track?
And then… DO something about it!

May and Easter
May is traditionally the ‘Month of Mary’. On Saturday 31 May we celebrate a major feast in the Church - Visitation of the Blessed Virgin Mary - where Mary who is carrying a child, Jesus, visits her cousin, Elizabeth, who is also carrying a child, John (the Baptist). The prayer Hail Mary reflects this feast.

This is the Sixth Week of Easter. Sunday is the Feast of the Ascension. This used to be on a Thursday (Ascension Thursday) and a Holy Day of Obligation. The following Sunday (8 June) is the Solemnity of Pentecost which concludes the Easter Season. A last Happy Easter. Easter eggs should all be finished!

Year 10 Retreat
The Year 10 Retreat is in Term 3 (Week 9 - Wednesday 10 September to Friday 12 September). A note was given out in Care Group in Week 3. The first payment of $120 is due by Friday 20 June. This deposit secures a place for your child. The second payment is due by Friday 8 August. Extra notes can be picked up from Student Services. Specific details, including medical issues and travelling, will be sent home next term.

Mass at St Pius
Last week Staff began the Staff PD Day with Mass. Thanks to Father Greg who came and celebrated with us.

Fund Raising at St Pius

Thank you to the students and parents who have and are supporting our change in fund-raising guidelines. Students are reminded to have their badge/lanyard with them when fundraising in the playground.

Life Teen

As we go around the school it is apparent that there is a great deal on this term. Assessments, exams, teaching and learning, excursions and much more make St Pius hive of activity. Sometimes, it is hard as a student, staff member or parent, to absorb all we have to do. We can get swept up by all the activity and forget that, as the season changes, we also experience changes. With every change, we have a response. It's up to us how we respond to these changes. I challenge you to itemise what is important, and not to overburden yourselves or expect too much from yourselves or others. I often say to my own children “What advice would you give to another who was going through what you are going through?”

So, as we tackle our challenges (big and small) I encourage all to take some “self care”. Be sure to make some time to do something you like doing as well as the work you have in front of you. And smile, even as you think of the stressful things, and see what happens.

Conversations about Catholics

Would you like to meet with some other St Pius X parents in a relaxed setting? Share some food and take time to learn a little about our community and our faith?

Where: Pastoral Care Room
When: Beginning Term 3
No need to bring anything – tea and coffee will be provided.

Email bronwyn.melville@mn.catholic.au or call 4957 1032, for more information.

The Rosary

Mark your calendars! In the month of May we pray the Rosary, to Mary our Mother, for all our concerns. We will say the Rosary in the Pastoral Care Room on a Tuesday at 2.00pm. It only takes about five to 10 minutes during Recess.

Vinnies’ News

Vinnies’ visits to St John’s Villa each Wednesday Week B continue this term. We are beginning our mission by helping the Seafarers Mission by knitting beanies for the Seafarers and collecting men’s clothing.

We also had an informative talk from Peter, the Coordinator of the Vinnies’ warehouse and we have decided to have...
a Pyjama Day before the end of term. We will be collecting warm clothing and blankets for the Vinnies Winter Appeal. More to come about this soon.

Secondary Schools Diocesan Public Speaking Competition
On Tuesday 6 May, students representing various years from St Pius attended the Diocesan Public Speaking Competition. Various topics were discussed including: homework is harmful to your health, laughter is the best medicine, and communication is about more than just texting and Facebook. St Pius came up against some very talented competition, and all students worked extremely hard to reach their achievements. Whilst receiving lots of valuable lessons from the adjudicators, the day was a great experience for everyone. Congratulations to Jack Dawson and Robert Karathanassis of Year 10, and Imogen Mahony of Year 8, for their participation, and Rose Cousins of Year 9 for achieving 3rd Place in her division.

Well done to all these students and thank you for representing St Pius X High School.

Dio Sounds
Dio Sounds Performance
Wednesday 11 June 2014
Civic Theatre Newcastle

Performing Art students of St Pius X Adamstown have been given the opportunity to perform in Dio Sounds at the Newcastle Civic Theatre in a matinee and evening performance on 11 June 2014. Dio Sounds is a showcase of musicians from secondary schools from across the Diocese. Each school is given a ten minute block on stage to present their most musically talented performers. This year our school will be represented by 45 talented students from the areas of Vocal, Band and Percussion Ensemble. The A Capella Choir will be singing ‘The Letter S Medley’ comprised of songs ‘Steal My Kisses’, ‘Stand by Me’ and ‘Say a Little Prayer for You’ in three part harmonies. The SPX Percussion Ensemble (directed by Josh Holliday) will feature six students from Year 10: Sean McNamara, Lochlan Northey, Oliver Smart, Jacob Connolly, Dylan Horton and Luke Brooks. These four boys are percussion enthusiasts and certainly know how to please a crowd! The third item is the well-known song ‘On Top of the World’ by Imagine Dragons. This will be performed by the Choir, Percussion Ensemble and the SPX school band ‘Rockestra’ as our finale.

We invite parents and relatives to come and support our wonderfully talented students here at St Pius. You can now purchase tickets from Ticketek Civic Theatre Box Office or from any Ticketek outlet. Adult tickets are $30.00 and Concession/Student tickets are $15.00.

Parent/Carer/Visitor (access to the school grounds) – Safety Tips
1. All parents, carers and visitors must report to either the Main Reception Office or the Student Services Office on arrival at the school.
2. When walking in and around the school take note of signage, watch out for traffic and use designated road crossings.
3. Follow the reasonable directions of staff members.
4. Do not wilfully place at risk the health, safety or wellbeing of yourself or others or misuse safety equipment.
5. Parents, carers and visitors who are at the school to work in some capacity (eg at the Canteen) will be provided with an induction appropriate to that area of the school and the task(s) they are to perform.
6. Be prepared to act independently in an emergency, warn others who may be in danger and report emergencies to the nearest Staff Member. If a building alarm is sounding, leave via the closest safe exit. Such evacuations will usually be supervised by a member of staff.
7. Report incidents, hazards and other safety concerns to the nearest staff member or to the Main Reception Office or the Student Services Office.

Diocesan Tennis
On the recent Pupil Free Day, we had some very dedicated students attend the Diocesan Championships and CCC Team Selection Trials at District Park. I would like to congratulate and thank the following players for their participation, cooperation and outstanding sportsmanship on the day.

Junior Boys Division
- Nick Rees Parkes
- Gabriel Barron-Smith

Senior Boys Division
- William Davies
- Jack Peart

Junior Girls Division
- Lily McHugh-Shahani
- Hayley Smith
- Imogen Mahony

Senior Girls Division
- Laura Slatter

St Pius X had two outstanding results in the Senior Girls and Boys with both Laura Slatter and William Davies winning the Championship. Special mention to Laura, who is in Year 9, and played up a division in the Senior Girls. The Junior Girls played consistently to win the Team's Event and will now go through to CCC Championships in Bathurst. Well done to everyone.

Helen Davies
Helferty Coordinator

Basketball
Our Junior Girls, Junior Boys and Senior Boys Basketball teams won the Diocesan Championships and consequently went to the Regional Carnival in Bathurst. The students had three very cold days away and performed extremely well despite the weather. After visiting The Three Sisters in Katoomba, and completing a circuit of Mount Panorama in our bus, everyone was ready to play.

The Junior Girls won all their pool games but unfortunately lost a hard fought game in the Final. They were awarded the Silver Medal and qualified for the State Championships. The Junior Boys were the standout team of the tournament and won all games in their Division. They won Gold and will also participate in the State Titles. Our Senior Boys played very well and were one win away from going to State. They lost in their Semi Final to Gosford, the eventual winners of their Division. All students were excellent ambassadors for St Pius, with exemplary attitudes and behaviour. This was emphasised by many positive comments from our accommodation hosts, teachers from other schools and tournament officials.
A sincere thank you to Miss Megan Williams, parents, friends and family members who travelled with us. Special mention to Mr Allan McCloy and Mark Hattam, parents of Helayna and Zackery, who dedicated three days of their time to expertly coach the Junior Girls and Senior Boys teams.

Thank you to Miss Amanda Mohr, our ‘Trip Coordinator’, for her thorough and comprehensive organisation of everything from bus charter, accommodation and fundraising, to the finer details of freshly scented and neatly pressed uniforms. I can report back to Miss Mohr, without bias, that St Pius’ uniforms were the envy of our competitors.

**Junior Girls’ Basketball Results**
- Won six from seven games
- Won Semi Final against Dubbo 55-29
- Lost Final against Bathurst 44-38

**Team**
- Isabel Palmer, Naomi Fanning, Tahlia West, Rachel Haberl, Sarah O’Connor, Sarah Lynch, Helayna McCloy and Rosanna Jennings.

**Junior Boys’ Basketball Results**
- Won seven from seven games
- Won Semi Final against Gosford 60-30
- Won Final against Lochinvar 61-40

**Team**
- Joshua Davis, Joshua Thomson, Isaac Clifford, Benjamin Jones, Alexander Clinton, Zala Dong, Malok Makuer and Cameron Bush.

**Senior Boys’ Basketball Results**
- Won three from six games
- Lost Semi Final against Gosford 38-27

**Girls’ Soccer – Turner Cup**
The girls have played two games in the Turner Cup. At the end of last term the girls defeated Waratah High 12-0 in a very scrappy game. The goal scorers were Gabriella Cosentino (2), Joselyn Rae (1), Gabrielle Deacon (1), Isabella Hewitt (3), Claire Plenty (3) and Eleanor Butler (2).

In Round 2 the girls were drawn against Wallsend High and the match was a close affair and very entertaining. As the game went on, the girls became stronger and it ended during extra time, three goals to two, with Isabella Hewitt scoring all three goals. Congratulations to the girls for an outstanding effort. The full squad is listed over the page.
Lucie Fityus, Gabrielle Mason, Kirra Hurrell, Chloe Kapalos, Ruby Springthorpe, Gabrielle Deacon, Joselyn Rae, Gabriella Cosentino, Isabel Palmer, Isabella Hewitt, Clarie Plenty, Eleanor Butler, Emily Soldas and Tovah Agresti.

Girls’ Friday Representative Soccer
St Pius has two teams in the Friday Competition and both achieved good wins last week. The Year 8 team defeated St Paul’s 3-1 and the Year 7/Year 8 combo team defeated San Clemente 8-1.

Futsal
The annual trip to Gosford for the Futsal Championship was on last week with seven teams travelling down. This year, teams had to win their group to make the Finals, and although all of the teams played well, no one made the finals. Two groups, Green and Yellow boys, came second. The international football school teams proved the stumbling block. Mr Lee would like to thank all of the girls and boys for their outstanding behaviour and excellent standard of play. The list of teams is shown below:

Boys’ Blue Team

Boys’s Green Team
Declan Swain, Luke Vallone, Sean McNamara, Finnian Howard, Christopher Hendry, Dominic Smith and Lee Panteleos.

Boys’ Red Team
Jasper Konetschnik, Thomas McDonald, Charles Dallen, Andrew Walker, Reede Palmer and Jayden Wiggins.

Boys’ Yellow Team
Zachary Oke, Arjun Thakur, Brayden Smith, Samuel Smith, Sam Harrison, Thomas Vandenberg and Caleb Chapman.

Boys’ Orange Team

Girls’ Blue Team
Gabrielle Smith, Tiahdora Morgan, Chloe Wilkins, Alexis Parmenter, Jordan Soans, Grace Burden and Cara Marks.

Girls’ Red Team
Hannah Simmons, Tovah Agresti, Joselyn Rae, Tayla Cannon, Hannah Linsley, Aimee Avery, Jade Cook and Kate Denyer.

"Understanding change, loss and grief"

This 3hr seminar will provide you with the opportunity to:

- Examine the meaning of grief
- Review the range of changes and losses experienced in life
- Reflect on the relationship between change, loss, grief and behaviour
- Explore grief reactions and factors that influence them
- Identify different styles of grieving
- Explore strategies of empowerment, including the role of choice in the grief journey and the importance of networks of support

Thank-you - I only have words of appreciation. I feel in a better position to face changes and grief for myself and to help others. (Participant)

Interacting with others was invaluable and the input in the seminar was certainly excellent and informative. Thank you for the opportunity. (Participant)

Dear Uniform Shop Customers,

We understand the financial pressures that many families face and as a result Alinta Apparel are constantly balancing our operating costs to achieve the highest quality of garments in line with the expectations our schools and their families have come to expect.

We are continually looking at ways to operate and manufacture uniforms more efficiently without negatively impacting on the product, rights of our employees and personalised service and expectations of our schools and customers.

Despite this, we are continually experiencing price adjustments from our manufacturers and unfortunately are unable to wear the full impact of this anymore.

Please be aware that from 1 August 2014, Uniforms will incur a price adjustment. We will be holding prices until this time so you have the opportunity to make purchases at the current price.

We thank you for understanding and hope you continue to enjoy your experience with Alinta Apparel.

Warm regards

Second Hand Uniforms

A large number of parents have expressed the need to have second hand uniforms available. St Pius X High School runs a service which enables all parents to buy/sell second hand uniform items. The service works in the following way:

1. Parent/s fill out a form with the details of the item/s required to buy/sell and supply a contact number. This form will be available from reception, or alternatively you may email your details to:
   admin@adamstownsp.catholic.edu.au.

2. These details are then advertised in a special “Second Hand Uniform” section on the back page of each newsletter.

3. The advertisement will run for a month or two editions of the newsletter.

4. Parent/s will simply contact the number supplied and deal direct with the person buying/selling.

Please note that no second hand uniform items will be kept by St Pius X High School.

For any further information regarding Second Hand Uniforms please contact reception.
