Dear Families and Friends of the St Pius X Community,

Enhancing Participation in Science, Maths and Engineering
Over the last 18 months St Pius has been involved in the ME Program. This program is funded and supported by Regional Development Australia (RDA) Hunter.

At St Pius this year, the ME Program has enabled Stage 4 DAT students to have hands on experience in robotics, Stage 5 Graphics students to gain experience with our 3-D printer and many interested students to participate in science and engineering competitions during the year. Last year selected students were able to experience problem based learning with advanced technological equipment off-site at courses run by Peter Wall of Envisage Learning.

Peter has been training several of our own teachers this year to enable them to run the same course with our own students and students from other schools in the near future. The equipment used in this course is called the TTiMs (Technology Training Introductory Module) equipment and is now permanently hosted at St Pius. Our 3-D printer was also purchased with ME Program funds (see article in 5 May 2014 edition of The Lion).

iSTEM Course
As parents of Year 8 would be aware, there is a new Elective Course running in Year 9 2015. The course is the new Board of Studies endorsed course called iSTEM. Standing for “integrated Science, Technology, Engineering and Mathematics”, the iSTEM course is an exciting new addition to the St Pius curriculum. Running this course is a logical follow on from the ME Program.

This course is a Stage 5 (Year 9 & 10) school developed, board endorsed course (SDBEC) which aims to contextualise curriculum content using problem based learning activities. The course was developed by Mr Scott Slep from Maitland Grossmann High School. Scott has done a brilliant job in creating this exciting course.

The course is unique in that it was developed in consultation with Hunter Manufacturing Industries and integrates the often separately taught components of STEM. The curriculum was first endorsed by the BOSTES in 2014 and is successfully being run by a number of Hunter schools this year.

Students studying iSTEM will learn about robotics, engineering, aerodynamics, motion, and 3D Design.

Year 10 Retreat & Years 7 to 9 Alternate Program
From Wednesday 10 September to Friday 12 September, 215 Year 10 students and 25 staff will attend Retreat at Collaroy. Retreat is one of those special experiences in life. Year 10 Retreat is the highlight of Year 10 Catholic education. The Retreat gives students the opportunity to take some time out, to slow down and to focus on important aspects of Christian living. It provides an opportunity for students to think about their lives, their relationships and their future.

While Year 10 is away on Retreat, Years 7, 8 & 9 will experience one day of normal lessons (the Thursday) and two days of an Alternate Program. The Alternate Program consists of assessment tasks, activities and events that are a normal part of the Year 7 to 9 program that have conveniently been brought together into these two days. All students in Years 7 to 9 are expected at school for each day of the Alternate Program. Details have already been provided to students.

School Dance
There will be a School Dance on Friday 5 September from 7.00 to 9.30pm at St Therese's Primary School, New Lambton. Thank you to Mr Rufo, Principal, of St Therese's for allowing us to hold the Dance in the school hall.

Details of the theme and arrangements have been provided to students, along with very clear expectations about behaviour and the wearing of safe footwear. The school has booked a DJ and security for the evening. We do need parental support – for extra security and for jobs such as Canteen and Cloakroom. These Dances are a major fundraiser for the school, so parental support is greatly appreciated. If you can help even for a small amount of time, please contact the school and leave your name and contact details. We will get back to you. Thank you very much in anticipation.

Have a productive week!

Robert Emery
Principal

Year 10 Retreat
Thank you to parents and students who have finalised their payments and sent their required forms back for the Year 10 Retreat. There are still ‘final’ payments outstanding from a few students, and still more ‘Medical/Dietary/Contract’ forms from many students. It is disappointing that over the course of the last twelve months there have been four letters (one posted), reminders in each Newsletter, and reminders on Student Notices two or three times a week about the Retreat.

I have now sent final numbers and dietary information to the Retreat Centre (as required 14 days prior), so cannot guarantee special meals for students if forms have not been returned. Time and effort will now be needed from Staff to chase up outstanding forms.

Below is an overview of the information sent in the letter posted recently:

**Dates:**
Wednesday 10 September to Friday 12 September 2014.

**Venue:**
The Salvation Army Collaroy Youth and Community Centre
Homestead Ave
Collaroy Beach NSW 2097
Phone: 99829800 Fax: 99711895

We ask that you only make contact with your daughter/son in case of an emergency.

**Times:**
Buses will depart the school at 10.00am Wednesday. Students must be at school no later than 9.30am.

The buses will stop for lunch at Warringah Mall for about an hour. Students will then reboard the buses, arriving at Collaroy around 3.00pm.

On the return journey, buses will depart Collaroy at 2.00pm on Friday. The bus company (Port Stephens Coaches) advises that we should be back at the school around 4.30pm.

Parents are asked to be at the school to pick up their daughter/son at that time.

**Mass at St Pius**
Parents are invited and most welcome to come along to the Theatrette each Tuesday morning, Period 1 (8.58am to 9.50). The following classes are rostered on for the rest of the term:

9A  
Tuesday 9 September  
Year 10FTV01 Mrs Davies and Year 10IST01 Mr Griffin

10B  
Tuesday 16 September  
Year 8MX3SOR Mr Southwell

**Vinnies ‘Sleepout’**
Advance Notice: One of our Year 10 students who is also a St Vincent de Paul Leader, is organising a ‘Sleepout’ on Saturday evening 11 October at St Therese’s School Hall, for any Year 10 student that is interested. Olivia is passionate about “making a difference” for others and is inviting her classmates to either ‘Sleepout’ or help raise funds for the local St Vincent de Paul group. A letter with all the relevant details is available for anyone interested. See Olivia or Student Services.

**Request/Advice**
Two requests:
- I am looking for someone to cut and hem some coloured material. There is quite a bit of material, so a couple of volunteers would be good.
- I would like to hear from anyone who has expertise or could give me some advice in the making of large material (cloth) banners for the six houses.

Indigenous Education
Each year, the Aboriginal Summer School for Excellence in Technology and Science (ASSETS) conducts an Annual Residential Science and Technology Program for Aboriginal and Torres Strait Islander school students from around Australia. The program is extremely competitive and takes hundreds of applications each year.

This year, Jasmyn D from Year 10 has been selected to attend this summer school program. This has been a great achievement for Jasmyn - well done.

Life Teen Youth Group
Every second Wednesday night the Life Teen Youth Group meet at St Phillip's Church Hall, Vista Parade, Kotara from 6.30pm till 8.30pm. Come along and have fun with other people. Meal served at 6.30pm. For more information please contact: ellen.hazelton@mn.catholic.org.au.

Vinnies News
The Vinnies students visited St John’s Nursing Home on Wednesday 20 August. We gave the residents the crocheted rugs made by Christine Ausburn in Student Services and June Melville.

Thanks to the ladies for their beautiful work, and as you can see by the photos, the residents were thrilled with their gifts. We had a great meeting with lots of new things happening next term so watch this space.

Go gently. Remember to treat others as you want to be treated.

Aurecon Bridge Building Competition 2014
On Tuesday 5 August, Ms Healey and Joseph O'Donoghue, Siane Fonua and Rosie Cousins (three students from Year 9), caught a train early in the morning, down to Sydney, to attend the Annual Aurecon Science and Engineering Bridge Building Competition. With them, they took a bridge that the students had made over the past few weeks, made of a limited amount of supplies, provided by Aurecon, to construct a bridge out of (largely consisting of balsa wood).

When the students and Ms Healey got there, they were greeted by many other schools and durable looking bridges. At around 10.00am the competition began. It was very nerve racking for the team as their name was called up, and their bridge was presented to the panel of judges. They were asked many questions about the type of bridge, how it was made and with what intentions. They were judged on the aesthetics and workmanship, teamwork, creativity, and whether or not it was an innovative design. It was then time to put the bridge to the real test – how much weight could it hold?

The team had previously been told by the judges that their bridge had a very durable design. So with high hopes, the team’s bridge was connected up to the
rig, and was put to the test. Waiting to see how much it could hold, the suspense grew until the bridge gave way at 58.1kg, coming fourth in the weight division.

At the end of the day, it was time to present prizes, with the top three teams, receiving money for the school and themselves. Coming fourth in weight, the students representing St Pius didn’t think they were eligible for a prize, but were all still extremely happy with their results. However, at the time of calling up the position of third place, St Pius’ name was called, much to the delight of the team. Receiving $50 each, and $500 for the school, the students and Ms Healey, boarded the train and came home – tired but very proud of their results. Well done to the team for putting in a great amount of effort!

Italian Classes
Two weeks ago the Year 9 and 10 elective Italian classes had the amazing opportunity to travel to Leichhardt in Sydney for a ‘Buon Appetito walking tour’. We arrived at the train station cold and sleepy at 7.00am and after a two hour journey and a fifteen minute bus drive to the Italian forum in Leichhardt, we were greeted by our guide. We were taught about the early Italian migrants in the area and how the suburb came to have its name.

After that, it was a trip to the most incredible pasticceria (cake shop) called “La mezzapica” and then off to Moretti’s restaurant for a delicious Italian feast. We made our own pizzas before sitting down to many beautiful platefuls of delectable pizzas and pastas and last but not least, some homemade gelato. Some free shopping time followed before we took the train back to Newcastle with full stomachs.

Food Technology
Year 9 Food Technology students are currently learning about food inequity. We attended a talk on Monday 25 August, with people from local organisations that contribute to our society including: OzHarvest, Soul Café and St Vincent De Paul. Monique, from OzHarvest, explained that four million tonnes of food end up in landfill annually. The job of OzHarvest is to help reduce this number by collecting excess food from local restaurants, cafes and bakeries. In Newcastle, on average, they collect 4700kgs of food per week. Since 2010 they have collected 755 tonnes of food.

Karen, from Soul Café, taught us how they help to feed families dealing with
poverty, homelessness and the elderly. They provide meals, counselling, yoga
sessions and clinics to help people deal with their addictions.

Dallas, from St Vinnie’s, informed us about the experience of volunteering, and encouraged each of us to try volunteering
to help people in the community.

Thank you to all of our speakers for sharing your experiences with us.

MAD NIGHT
Dear Parents & Friends of our Music, Art
and Drama Students

On Tuesday 16 September, Performances and Art Works will be
presented by our gifted Performing and Creative Arts students – come along to
our “MAD Night” at 7.00pm in The Factory Theatre, with an Intermission and Performance duration of about 2 hours.

One of St Pius X most loved staff
members bids us farewell at the end of this term – Mr Stuart Roff. This year, at
St Pius X High School, Mrs Lunarzewski and Mrs Elgar-Roberts, along with their Creative Arts colleagues, look forward to
showcasing some of our students very best work. But it’s a night with a special
focus – some items for the evening have been especially selected to pay homage
to the one and only, irreplaceable, much-loved Mr Roff. Okay, we admit we
shouldn’t be too biased about him – he has been known to give the odd vague
response to a question, as well as reading emails rather belatedly. That
aside, he will be truly and dearly missed, so everybody please do come along and
be ready to enjoy an evening of marvellous entertainment. With a special
appearance from our adoring patron of the Arts here at St Pius - Lady Fluffy
Feathers and her charming companion, Mr Beak.

Tickets will be sold at the door on the
night from 6.00pm, at a cost of $10 for an Adult and $5 for a Concession/Student.
There is ample seating (about 600 seats), however, it will be a case of first in best
dressed for the seating down the front that is close to the stage.

We look forward to seeing you on the night!

ASPIRE HOLIDAY WORKSHOPS

ASPIRE is offering wonderful workshops over the September/October holidays. These workshops are open to any student from any of our schools in our Diocese.

WEEK 1: ASPIRE ON TOUR
UPPER HUNTER AND MANNING REGION
CHOICE OF 2 WORKSHOPS

WORKSHOP 1
MUSICAL THEATRE MASTERCLASS
WHEN: Tuesday September 23rd - Manning Region
10am - 4pm @ St Clare’s, Taree
WHO: Years 5 – 11 (the group will be broken into age/skill level if required)
COST: $80 per person per workshop

Working alongside Aspire Ensemble Directors, Lauren Wheatley and Michael Nolan, you will rehearse vocals and movement for 2 musical theatre pieces, culminating in a performance at the end of the day for parents/carers. If you are interested in performance, this is a fantastic opportunity to work alongside professional artists in the creation of performance pieces. Participants will develop skills in singing technique and learning choreography as well as developing overall performance skills. You will be invited to input ideas as you put together the pieces to perform in front of an audience.

WORKSHOP 2
PLAY IN A DAY
WHEN: Thursday September 25th - Upper Hunter Region
WHO: 10am - 4pm @ St Joseph’s, Aberdeen
Years 5 – 11 (the group will be broken into age/skill level if required)
COST: $80 per person per workshop

For all budding actors, this is an opportunity to create your own short play and perform it to an invited audience alongside the musical theatre performances. You’ll be taken through script writing and devising techniques to have a piece ready to polish up for rehearsal in the afternoon where the focus will be on you as an actor. Working alongside Aspire’s Artistic Director Anna Kerrigan this is a fantastic opportunity to hone your creative skills. Participants will use improvisation and a variety of devising theatre techniques as they write the piece before focusing on characterisation and realising a script onstage later in the day.

WEEK 2: NEWCASTLE BASED WORKSHOPS
CHOICE OF 3 WORKSHOPS

WORKSHOP 1
THE ART IN SINGING
WHEN: Tuesday 30th September
10am - 4pm @ St Pius X, Adamstown
WHO: Years 5 – 12 (the group will be broken into age/skill level if required)
COST: $80 per person per workshop

This workshop is designed to assist young singers in their performance of songs. Using solo and group work, the Aspire directors will take you through good technique and singing practices as well as helping you find that extra something required to perform a song that brings an audience to their feet. This workshop is a must for anyone wanted to develop, not only as a singer, but performer too. Participants will not only look at breathing, pitch, control, dynamics, and phrasing. They will also focus on performance elements such as character, blocking movement for a singing performance and connecting to a piece.

WORKSHOP 2
THE ACTOR’S TOOLBOX
WHEN: Wednesday 1st October
10am - 4pm @ St Pius X, Adamstown
WHO: Year 12
COST: FREE

This is a free opportunity for new year 12 students to focus on their acting talents with Aspire Artistic Director Anna Kerrigan. You will spend the day looking at voice and physicality as you work through a series of dynamic exercises which will challenge and inspire you before workshopshopping pieces where Anna will give some critical direction about your performance and tips on what to work on. Participants will focus on voice, movement, characterisation, interpreting text and dynamic blocking.

WORKSHOP 3
ASPIRE MUSO SCHALLENGE
WHEN: Thursday 2nd October
10am - 4pm @ St Pius X, Adamstown
WHO: Year 5 – 12 (participants will be split into bands of a similar skill level)
COST: $80 per person per workshop

In a day you will work in small bands to write yourselves a new song or two and have a performance to be remembered for invited audience. You will be placed in bands with musicians of similar skill level and assisted in writing music. All instrumentalists and vocalists with an interest in writing lyrics are welcome to apply. Participants will focus on playing together as a group, writing songs and jamming together as well as focusing on applying essential music theory to their songs.

WORKSHOPS
Payment for workshops can be made by cheque payable to the Catholic Schools Office or by cash in person at Catholic Schools Office Hunter Street Newcastle West. For enquiries phone Anne Atkins on 4979 1331 or Anna Kerrigan on 0424 961 775

Once the booking is made further information will be forwarded to participants.
Ladies You Are Invited To:
St Pius X Annual Mothers’ Fundraising Dinner

Venue: Harbourview on Queens Wharf
150 Wharf Road, Newcastle.

Date: Friday 10 October 2014

Time: 6.30pm for 7.00pm

Cost: $60.00 (two courses - main & desert)

To secure your booking you need to place FULL PAYMENT in the P&F Box in the Main Office.
(Week 5, Term 3.) We are unable to reserve bookings without payment.

Tickets will be on sale until Monday 15 September 2014.

- For sizes 4XL and 22 and over, a $10 surcharge will apply.

**Payments can be made with Cash, Credit Card or Debit Card only.**

Contact your bank regarding individual access and availability of these facilities.

Prices subject to change without notice.
Second Hand Uniforms

A large number of parents have expressed the need to have second hand uniforms available. St Pius X High School runs a service which enables all parents to buy/sell second hand uniform items. The service works in the following way:

1. Parent/s fill out a form with the details of the item/s required to buy/sell and supply a contact number. This form will be available from reception, or alternatively you may email your details to admin@adamstownsp.catholic.edu.au.

2. These details are then advertised in a special “Second Hand Uniform” section on the last page of each newsletter.

3. The advertisement will run for a month or two editions of the newsletter.

4. Parent/s will simply contact the number supplied and deal direct with the person buying/selling.

Please note that no second hand uniform items will be kept by St Pius X High School.

For any further information regarding Second Hand Uniforms please contact reception.
