Prayers for Fiona O’Donoghue
Over the holidays we received the news that Fiona O’Donoghue, Art Teacher here at St Pius, has been diagnosed with cancer. Obviously, this was a huge shock to Fiona and her family and to our whole school community. I ask please that you join with all of our teachers and support staff in saying regular prayers for Fiona and for her whole family at this difficult time.

Passing of Katrina Dyall
It was very sad over the holidays to hear of the passing of one of our St Pius parents. Katrina Dyall, wife of Gavin and mother of Grace in Year 9 and Bella in Year 6 at The Junction Public School, passed away on January 2. Katrina had been battling cancer for almost two years. I am sure that everyone in our school community will join me in keeping Gavin and the whole family in our prayers over the coming months.

Uniform
It was very pleasing to see 99% of students in correct uniform on their first day. I wish to highlight one point. The old-style sports shorts are not part of the uniform of St Pius.
Students who choose to wear these shorts are out of uniform and will be issued with Uniform Detentions.

Communication
I ask all parents/carers to read the “The Lion” each fortnight to keep up with school news and events. The Lion is published on our school website each fortnight under “News & Events”, “Newsletters” and a link is emailed to every parent for whom we have an email address. If your email address changes during the year please let us know. If you do require a hard-copy of the newsletter to be sent home to you, please contact the school and request this. Your child will have to remember to go to Student Services each fortnight to collect your copy. I encourage parents to contact the school whenever the need arises. We strive to ensure that all concerns and questions are attended to promptly and professionally.

School Fees
Please ensure that your school fee account is paid by the due date shown on your account each term. By doing this, you greatly assist the smooth operation of the whole school. This in turn helps us to provide your sons and daughters with the high quality Catholic education which you expect. Term 1 fee accounts will be posted before the end of Week 4. They are payable by BPay, Direct Debit, Credit, EFTPOS, cheque or cash.

♦ If you pay your fees by Direct Debit, please check that the instalment size is such that by the end of the year you have paid your fees in full. If you need to adjust your DD please contact the Finance Office.

♦ If you experience genuine difficulty in paying your fees, make an appointment with me to come and discuss the situation. This includes anyone who made a special Fee Agreement with me in 2013 and who wishes to continue it into 2014. It is necessary to re-apply for the extension of such agreements into 2014. Please make such appointments as soon as possible after you receive your fee account.

♦ For those parents/carers with a Health Care Card or Pension Card, a discount is available on the Tuition Fee component of your school fee account. To access this discount for 2014, complete and return the appropriate form available from the Accounts Office or the website under “Parents”, “Fees”. This will save you the time and effort of coming in to see me. If you require more assistance than just the Tuition Fee discount available for Health Care and Pension Card holders you will need to come in for an interview.

P&F Meetings
These are usually held in the Theatrette located in the Factory Wing on the second Tuesday night of each month starting at 7.00pm. Our first P&F Meeting for 2014 will be held on Tuesday 11 February starting at 7.00pm. Please come along. Our P&F is a very active group. The P&F provides parents with an opportunity to hear up-to-date news about the school, to discuss and have input into issues that arise and into projects that are proposed and enables parents to play an active role in fundraising and support of the school.

I think that is plenty to take in for the moment. I look forward to working with you this year to ensure that the young people in our school receive the best in Catholic education. I leave you with what I believe is an excellent mission statement for all people involved in Catholic education:
“I have chosen you from the world”, says the Lord, “to go and bear fruit that will last.”  

All the best for a great year!

Robert Emery  
Principal

Parking Areas for the Disabled

An area has been allocated for students who have temporary or permanent disabilities and require access to school grounds. This is located at the top car park under the covered area, close to the stair access to the Theatre. We ask that parents or visitors do not park in or close to this access area, as it is needed for drop off and pick up students given by taxis and transport companies. There is clear signage on the concrete area indicating that it is a “No Parking” area and is to be used for Students with Disabilities.

Dear Parent/Carer

Each year, as you know, the Diocese of Maitland-Newcastle has to review and adjust the fees for students in our Diocesan schools for the coming year. By far the greater part of our schools’ funding now comes from State and Federal government funding, but the commitment and continuing financial contribution of parents and parish communities is still essential to fill the gap between the funds provided by government and the actual cost of running our schools. This letter is to inform you of the fee arrangements for 2014. The following rates and discounts have been reviewed by the Catholic Schools Council, the Federation of Parents and Friends Associations and the Diocesan Finance Council. Upon the advice of those bodies, they have been approved by Bishop Wright.

1. Family Model for Diocesan Tuition Fees

The Diocese of Maitland-Newcastle is very conscious of the financial challenges facing parents. In 2013 a new approach was taken to easing the burden for families with more than one child in diocesan schools. Broadly, the change was to apply the discount to each schoolchild in the family, whether they attended the same diocesan school or not. Thus, for example, a family with one secondary and two primary school children in diocesan schools now receives a 20% discount on the secondary school fees and on the primary school fees of both the younger children. Previously, this family might only have received a discount on the second child in the primary school. The discount rates are set out below.

2. Diocesan Tuition Fees 2014

In 2014 the Diocesan Tuition Fees, full rate, will be:

- Kinder to Year 6 $1,068
- Years 7 to 10 $1,470
- Years 11 to 12 $2,274

In 2014, the Family Discount on Diocesan Tuition Fees will be:

- 1 child family 0% - full rate applies
- 2 child family 10% off each child’s tuition fees
- 3 child family 20%
- 4 child family 40%
- 5+ child family 50%

In comparison to 2013, the Kinder to Year 6 full rate Tuition Fee has increased by $0.98 per week, the Years 7-10 fee by $1.33 per week, and the Years 11-12 rate by $1.50 per week.
3. The Diocesan Family & School Building Levy (DF&SBL)
The DF&SBL is a diocesan levy, charged on the oldest child in each family. The DF&SBL assists in financing capital works in existing schools and the establishment of new schools. For a very long time in the past, of course, our schools were built and maintained by the voluntary contributions of the people of the Diocese through their parishes. Part of the DF&SBL, therefore, now helps support the Diocese in its pastoral ministries, including various Pastoral Workers, the Refugee and Aboriginal ministries, the Hospital Apostolate, and Seasons for Growth, the change, loss and grief program.

The DF&SBL rate for 2014 will be $609 per family. This amounts to an increase of about $0.56 per week per family. The DF&SBL rate is reviewed, recommended and approved in the same manner as mentioned earlier for the Tuition Fees and Discounts.

4. Special Fee Reductions
To assist families with limited financial resources, Catholic schools in the Diocese of Maitland-Newcastle offer a lower tuition fee to ‘means tested’ low income families such as Health Care and Pension Card holders. This rate is 50% of the Diocesan Tuition Fee full rate for each child. This discount applies only to the Tuition Fee, not to the DF&SBL or special purpose fees charged by the school itself.

Please note, however, that it is our policy that financial hardship should not prevent a child from attending a Catholic School and **no child will be denied a Catholic Education because of a family’s genuine inability to pay the required school fees.** This does not apply only to the eligible Health Care/Pension Card holders mentioned above. Any family experiencing financial difficulties is entitled to fee assistance. The Principal of the school can be contacted to discuss such situations.

Together with parents, clergy and school staff, we are committed to offering the children and young people in this Diocese schools in which their faith can be nurtured in outstanding learning environments. We seek to assist young people to realise their full human potential, spiritual, intellectual, physical and social. We value the opportunity to work in partnership with you to that end, and thank you for your continuing support of Catholic Education in this Diocese.

Yours sincerely

Curriculum
Home Learning
More than just a catch-phrase, Home Learning is an attempt to have everyone recognise the importance of what is done at home. Here at St Pius X we are encouraging students to take greater responsibility for their own learning. In doing so, it is hoped that students move away from a “pupil” mentality (Tell me what to do and when to do it) to a “student” mentality (I need to do this and I will prepare in this way).

The student planner has a significant role to play. We use it as a resource and each subject teaches lessons from it.

The Assessment Handbook describes 3 different types of Home Learning which is particularly useful for parents of students in Years 8, 9 and 10.

Our aim is to help the students acquire the skills and attitudes that will enable them to see “no homework” as an opportunity to deepen their understanding of the material covered in class. You might like to have a look at the student planner. Just ask your daughter or son to get it out of their bag!

Year 9 Elective Information
By now, students have begun the elective courses they selected last year. Most will be delighted and looking forward to the coming two years of study.

However, for a few the courses may not be what they expected or had hoped for. For these students there is a window of opportunity to request a change of subject. I will be taking requests for changes of elective classes until Friday 28 February. Please note the following:
- A request for a change does not mean that the change can or will take place.
- No student is to change classes until they have been given a new timetable with the new class listed
- The number of changes possible is limited by the availability of space in current classes, restrictions on the timetable and minimum or maximum class sizes.

Forms are available from Student Services and are to be returned to the Main Office.

After 28 February changes to electives will only take place in exceptional circumstances or for the commencement of a VET course in Year 10. Students should expect to remain in the elective class until the end of Year 10.

Information Evenings for Parents of students in Year 7 or in Year 10
Later this month, two Information Evenings will be held. One will be for the parents of Year 10 students and will deal with the requirements of Record of Student Achievement (RoSA). The other will be for the parents of Year 7 students and will cover the Assessment process, homework and the curriculum in general. It provides parents with the opportunity to ask questions and get a bit of a better insight into what Year 7 have really been doing since they arrived. Further details will soon be published on the School Calendar, in the next Newsletter and with notes going home.

Saturday School of Community Languages
The Saturday School of Community Languages was established in 1978. It is a government secondary school which operates on Saturdays in 16 high schools in Sydney, Wollongong and Newcastle. The Saturday School gives students the opportunity to study their background language when that language is not available at their own school.

In Newcastle, the Saturday School operates out of Merewether High School. Information about languages courses offered, including application forms, is provided in the Enrolment Information at www.sscl.schools.nsw.edu.au.

Each year several students from St Pius X take up this opportunity to study their background language. In previous years
students have studied Polish, Spanish and Chinese. Please check the website for further details.

**Welcome**
A special welcome to all our new families and to all those who are 'old' hands returning for another year as part of the St Pius X community.

We had our special Welcome to Year 7 Liturgy last Wednesday, where we acknowledged the primary school years and the moving into high school. The theme this year comes from Luke’s Gospel where Jesus heals a blind beggar and his “eyes are opened”. We too are challenged to have our eyes opened to the needs of those around us, to the environment in which we live and to the wider world. As the song which introduced the Gospel said: “*Open my eyes Lord. Help me to see your face. Open my ears Lord. Help me to hear your voice. Open my heart Lord. Help me to love.*”

**Fundraising at St Pius**
We are in the process of developing a policy concerning the raising of funds at St Pius. The basis of this policy will come from our understanding of Catholic social teaching, founded on the mission and ministry of Jesus Christ, who came “to bring good news to the poor...release to captives...recovery of sight to the blind” (Lk 4:18-19), and who identified himself with “the least of these”, the hungry, the thirsty and the stranger (Mt 25:45).

The guiding principle in this policy will be giving priority and support to Catholic organisations, especially Caritas Australia, Catholic Mission, CatholicCare, St Vincent de Paul and Diocesan Religious Congregations involved in works of welfare, mission, outreach and advocacy.

Other National and local community events/outreach/campaigns will also be considered. To this end, until the policy is completed, we are asking any student or family wishing to raise funds for a given event or campaign to make contact with myself to gain permission to sell chocolates or to raise money on school grounds. Consideration will be given to what else is planned at the time and how long it is intended to raise the funds. Students will be given some sort of identification which they must wear when selling/raising money on school grounds. Please consider carefully the campaign or reason for your child wanting to raise funds, and whether it reflects the ‘mission’ outlined above.

Please contact me if you wish to discuss this policy.

**Pastoral Care**
As the holidays draw to an end let’s keep in mind the road we each travelled, as we all bring something special to this place. We also welcome all new students to St Pius.

Pope Francis encourages the young of today,( on twitter- @ Pontifex), to “Live everyday (our baptism), as new creatures, clothed in Christ”. Mr Emery spoke about this and the gospel values which underpin our school. So what does that mean practically for us as a community? How we treat each other matters. You and I both matter, and we are called to care for and respect one another.

Is there someone who is alone? Suffering? Maybe not in the cool group? Then it is our responsibility to reach out and offer a hand of friendship. Something so simple makes a difference.

Do what you fear. Pick up that paper and put it in the bin, as this is your school and
so it’s your job to look after it. Remember we are in the 20% of the world’s population that has 80% of the wealth. We are blessed with much, and we can afford to offer the hand of friendship and kindness. Mother Theresa spoke about being a “pencil in the hand of God”, as her mantra that enabled her to do all she did, loving those who were dying. We don’t have to do that much, just be a community.

Vinnies will continue to meet Period 6 Wednesday Week B. We will have a planning meeting and set out what our activities will be for the year.

Please keep Mrs O’Donoghue in your prayers in her illness. We will be starting a Novena for her shortly.

Bronwyn Melville
Pastoral Care Worker

Bus Passes
Bus Passes will be handed out over the next two weeks. Students are free to travel for the first three weeks without a pass. Any student who moved house last year must complete a new form which is available from Mr Lee or the Main Office, otherwise no new pass will be sent.

As passes arrive the names of students will be placed on the student notices for collection from Student Services.

Bus Passes Coordinator

2014 Australian Geography Competition
This is an early notification about the Australian Geography Competition which will be held between 24 March and 2 April. All years can enter and it is an opportunity to participate in an extra-curriculum activity, which can then be included on your Silver Award application. All questions are Multiple Choice and are based on Skills or Geographic and General Knowledge and there are three levels of difficulty based on age. Entry deadline is 26 February and the cost is $3.00. Please give your name, class and fee to Mrs Battiston before that date.

HSIE Teacher

Peer Support Leader
Apologies to Christopher Hendry 10.6 whose name was omitted from the Peer Support Leaders’ List which was published in a previous Newsletter. We congratulate Christopher on his leadership position.

Learning Support Department
Each Tuesday and Thursday, students who have either been identified as requiring extra support as well as those funded under SWD (Students with Disabilities) have the opportunity to access support from a Learning Support Teacher. Parent permission notes were mailed to all Year 7 families offering this opportunity to access additional support. Please return the permission notes to Student Services as soon as possible. The student will be timetabled into one lesson on a Tuesday and one on a Thursday (two lessons per week). Once the lessons have been agreed upon, students are to come directly to the Learning Support Centre to gain the support they need ie assessments, reading/comprehension or organisational assistance. There is limited time and space, therefore, this provision is reserved for students with a diagnosis of a disability or severe learning difficulties. Other programs will be offered throughout the year. If you do not wish your child to be part of this program please state this on the return permission slip - there is no obligation. If you have any questions, please contact me on 4957 1032.

Susan Price
Learning Support Coordinator
Canteen Roster
If you are unable to attend your allotted day, please contact Janelle Oliver or Sharon Hart at the Main Office on 4957 1032 or the Canteen directly on 4013 2629.

We are currently looking for casual cleaners for our school to be on call. If you think this type of work would suit you please either call into the Catholic Schools Office to pick up an application form or go online and download the form from the Catholic Schools Office website under the employment section.

Vocal Lessons
Michael Nolan has over 18 years of singing experience performing in Newcastle and Sydney. Michael was nominated for a 2013 City of Newcastle Drama Award for Vocal Direction and has recently become an Associate Vocal Coach with the Australian National Association for Teachers of Singing. In 2014, he joined the Catholic Schools performing arts program 'Aspire' as a Vocal Assistant and is returning to St Pius X to offer private vocal lessons. These individually tailored lessons are offered within a safe schooling environment providing many opportunities to perform.

If you or your child is interested, please contact Michael on 0412 464 565 or via email at: michael.j.nolan@outlook.com.

Second Hand Uniforms

A large number of parents have expressed the need to have second hand uniforms available. St Pius X High School runs a service which enables all parents to buy/sell second hand uniform items. The service works in the following way:

1. Parent/s fill out a form with the details of the item/s required to buy/sell and supply a contact number. This form will be available from reception, or alternatively you may email your details to admin@adamstownsp.catholic.edu.au.

2. These details are then advertised in a special “Second Hand Uniform” section on the back page of each newsletter.

3. The advertisement will run for a month or two editions of the newsletter.

4. Parent/s will simply contact the number supplied and deal direct with the person buying/selling.

Please note that no second hand uniform items will be kept by St Pius X High School.

For any further information regarding Second Hand Uniforms please contact reception.
