Dear Families and Friends of the St Pius X Community,

Catholic Schools
I know I often take for granted the amazing privilege it is to belong to a Catholic School community and to have been able to send my children to a Catholic School. Catholic Schools are wonderful places and it is indeed a privilege to be able to send our children to Catholic Schools. It is therefore extremely important that we keep our Catholic School, St Pius X, on a path of continual improvement. Our Strategic Plans and annual School Improvement Plans guide us in this endeavour.

As we work towards the renewal of our Mission, Vision and Values Statements, as part of our School Improvement Plan for 2015, it is timely to remind ourselves of some current and ongoing challenges that face us as a Catholic School community. The following brief extracts come from: Educating Today & Tomorrow: A Renewing Passion (Instrumentum laboris 2014) produced by The Congregation for Catholic Education (7 April, 2014). These extracts from the working instrument clearly articulate several important challenges that we need to meet.

At the heart of Catholic education there is always Jesus Christ: everything that happens in Catholic schools … should lead to an encounter with the living Christ. If we look at the great educational challenges that we will face soon, we must keep the memory of God made flesh in the history of [mankind] – in our history – alive.…. First and foremost, [Catholic schools] are places where the transmission of knowledge is key; however, knowledge too has undergone major changes that are affecting our educational approach.

Schools …are also living environments, where an integral education is provided, that includes religious formation. The challenge will be to make young people realize the beauty of faith in Jesus Christ and of religious freedom in a multireligious universe. In every environment, whether it is favorable or not, Catholic educators will have to be credible witnesses. People who work with faith, passion and professionalism cannot be forgotten; they deserve all our attention and encouragement. Education is not just knowledge, but also experience: it links together knowledge and action.

… If we think about our societies’ rampant individualism, we realise how important it is for Catholic schools to be true living communities that are animated by the Holy Spirit…. The complex network of interpersonal relations is schools’ real strength, when it expresses love of truth …. Catholic schools are often the only places where young people encounter the bearers of Good News…. This is an unprecedented situation, which requires the presence of committed lay people …. Education, right now, is like the metaphor of the Good Sower who is busy sowing without always having the possibility to see the fruits of his work. Education requires working with hope and confidence…
DioSounds
Well done to all of our performers in DioSounds last Thursday. Family commitments prevented me from attending this year but I have heard from so many people that our students performed extremely well. It is a tremendously exciting privilege for students to be given the opportunity to display their talents in an amazing venue like the Civic Theatre and the students responded brilliantly giving of their very best. I offer my thanks and congratulations to our Music Teachers, Mrs Elgar-Roberts and Mrs Lunarzewski and to all who were involved in preparing our students for this special event.

Early Warning of Professional Learning Day
Monday July 27 will be a pupil-free, Professional Learning Day. The Leadership Team (P, APs, all Coordinators) will be continuing our work with Tonia Flanagan from Hawker-Brownlow on developing a Professional Learning Community at St Pius. The Teaching Staff will be engaged in some curriculum work and some preparatory work for a special project in reading across the curriculum that will run at St Pius in Semester 2. Support Staff will have their own program for the day.

Stage 3 Funding
As you may be aware, St Pius submitted an application for funding of Stage 3 of our School Master Plan early in April. Stages 1 & 2 have provided the school with some marvellous facilities. Stage 3 would provide a new Library, a Learning Centre for learning support & ESL, some more new classrooms and a new Staff Study & Lunchroom in the old House of Hospitality area.

The State Priorities Committee from the Catholic Block Grant Authority visited the school on Monday 1 June to gather data which will allow them to better assess our application. They agreed that our Stage 3 proposal was a good one based on the sound educational needs of our students. They will support our application at the Catholic Block Grant Authority. We are at least in with a chance.

Please pray that we will be deemed worthy of funding this year. We desperately need funding to complete the major refurbishment of the school. There is limited funding available this year and many schools across the state have applied for funding. We have to be deemed a high enough priority on the basis of educational need to secure the necessary funding for the project.

Have a delightful week, everyone!

Robert Emery

St Pius X Mothers Dinner

All mothers are invited to the Annual St Pius X Mothers Dinner to be held this year at “Harbourview on Queens Wharf” on Friday 16 October for an evening of fine dining, fabulous prizes, great company and a harbour view setting.

We are seeking donations of raffle prizes and assistance on the night. Please contact us if you are able to help.

Natalie Steele 0419 595 366 or email Jason.steel@bigpond.com
Therese McCloy on 0422 228 702 or email tbmccloy@hotmail.com

History of the Mothers Dinner

In 2005 mothers of students at St Pius X High School recognised a need to care for children from the St Pius community who had lost a primary carer. The idea was to give financial assistance, in the form of a bereavement payment, through money raised from annual Mother’s Dinner.

Today the Mother’s Dinner, while still contributing money towards bereavement payments for families, also focuses on mothers from the St Pius X community coming together to enjoy each other’s company, fabulous cuisine and with a little luck leave with a prize or two.

Looking forward to your company, Natalie and Therese.
Reports and Parent Teacher Interviews
The reports for Semester 1 will be given to students on Monday 13 July, the first day of Term 3. They will be given to students in a special Care Group at the end of the day. Included with the reports will be information regarding the next opportunity for Parent-Teacher interviews. These will be held in the afternoon and evening of Thursday 23 July and during Friday 24 July. There are two important points to note about the second round of interviews.

Parents will access PINs via email
Please note that no PIN will be sent for this round of interviews. Parents can retrieve their PIN via the log on site that is attached to the school website. The site will ask parents to log in using the email address they have provided to the school. PINs will be sent via email to that email address. It is most important that email addresses provided to the school are accurate and represent the most current address used. Please notify the school as soon as possible of any changes to email addresses.

Teachers of Semester 1 Classes will be available
For most students there is no change of teacher at the end of Semester 1. However, some subjects in some Years do make changes to the graded classes for Semester 2. Only those teachers who have taught a student in Semester 1 will be linked to that student. This teacher will be able to provide feedback on student performance. The teacher of the new class will only have just met the student at the time of interview. However, should you feel it necessary to speak with the new teacher, please contact the school and request a telephone conversation with the member of staff.

Parent access for booking interviews will become available on Tuesday 14 July and will close at 10.00am on Wednesday 22 July.
Stephen Dunn

Dean of Studies
Biggest Morning Tea
A Biggest Morning Tea was held on Thursday 28 May, to help the Cancer Council raise funds for cancer research, prevention and support services. A total of $141.00 was raised!

Vinnies News
Last week, the residents were given some beautiful blankets made by Mrs Ausburn in Student Services, and the residents were so very grateful. Mrs Melville is making one but it’s still coming.

We have included a picture of one new resident who was so overwhelmed by the gift. He has been having trouble settling in and wanted to thank Mrs Ausburn and our community very much for the generosity of the blanket and the visit from the students and staff. He is happy to be made famous by circulating his smiling picture.
SRC News

Year 7 Prefects 2015
Congratulations to Samuel Daley and Kayla Waldron who were successful in becoming Year 7 Prefects for 2015. A special mention to all of the students who applied for prefect, we encourage you to try again next year.

School Dance
The Term 2 School Dance will be held Friday 19 June at St Therese’s School Hall in New Lambton. It starts at 7.00pm and finishes at 9.30pm. Tickets go on sale Thursday 18 June and Friday 19 June - $10.00 each or $20.00 per family. Students must have a signed permission note in order to attend. Parents are asked to escort their child to and from the venue on the night. The theme is Duos, Trios and Groups.

Wellbeing Day – Thursday 25 June
The SRC have been busily organising a Wellbeing day to raise money for Newcastle Headspace and BeyondBlue. The day will be out of uniform with a gold coin donation collection in Care Group. Yummy healthy food options will be available for purchase on the day, including pumpkin soup as well as healthy ice creams. Newcastle’s Headspace, Emma Thomson and Andrew Hughes are some of the guest speakers for the students on the day. Live music will be playing throughout lunchtime and students will be encouraged to participate in numerous activities throughout the school grounds that encourages physical exercise and lots of fun.

The day hopes to encourage a balanced wellbeing, focusing on the physical, spiritual and emotional elements that make up an individual’s wellbeing. It will be informative, interactive and most importantly fun. Below is a short blurb of the presenters for the day:

Headspace Newcastle provides information and support regarding a wide range of issues for young people and their families living in the Newcastle, Lakes and Port Stephens areas. They will present some information to students around how and why it is important to maintain a balanced wellbeing.

Emma Thomson is an accredited Health Coach, author and speaker. She was recently recognised as a Finalist in the 2015 Steel Magnolia Award by Lifeline for her work within the community, developing and implementing Programs for Post Natal Depression Awareness and Mental Illness Prevention. Emma has recently launched a new project locally for adolescent girls, inspiring and supporting them to practically engage self-love in their lives and adapt healthy lifestyle habits, in turn encouraging positive body image, and improving mental health awareness and prevention in young people. As a sufferer of adolescent mental illness, Emma draws upon her own experience to educate and assist the youth of today on a topic that is extremely close to her heart.

Andrew Hughes is an international speaker and a teacher of personal evolution. He will be working with the boys to encourage them to strive for and reach their full potential by showing them how they can train their brains. He will focus on themes of self-empowerment and self-care, in a humorous and interactive way. Andrew is an author and spends most of his time training and coaching students, teachers and leaders to help them reach fulfilment by tapping into their individual personal power.

Build Me a Future Day
On Thursday 28 May, 44 students in Year 8 were invited to Newcastle University for the ‘Build Me a Future Day’. This was introducing young people from many schools to the Engineering and Science Faculties. We had many hands on activities during the day such as building
a bridge out of limited materials, surveying, robotics, spaghetti challenge, building a car, light show and computer programming. It was a very interesting and enjoyable day being part of the University for a day. Our St Pius Y team finished the day with the most amount of points and therefore won a trophy for our school. A big thanks Mrs Healey, for organising the day and for being the best science teacher ever.

‘Self Compassion’

There have been studies done in the US and Australia in recent times, about ‘Self Compassion in Teenagers.’ Oh no, I hear you groan, not another new term or coined phrase. Just give me a minute – this one has some interesting findings which may be useful.

In a nutshell, adolescent boys fared better than girls in their ability to ‘shrug off’ the bad stuff, including the opinions of others, and girls were generally not as good and more prone to be affected by what others said. Having said that, girls with good ‘Self Compassion’ fared better than their counterparts when facing difficulties and negative peer pressure – at least that is what the study seemed to indicate. Improvements in Mental Health and Wellbeing were all indicated in the group with good ‘Self Compassion.’

The second study went on to indicate that ‘Self Compassion’ has a changing effect on self-esteem, and this was more so in girls than boys. What this means practically is that I know I have some doubts and difficulties, but I accept this as part of normal life experiences and processes.

The thing they found, and suggest in this article, is that there are practical things that can be done about it. See the full article at: http://greatergood.berkeley.edu/article/item/can_self_compassion_improve_well_being_in_teens?utm_source=Harvest+2015&utm_campaign=9994c251e8-E_News_General_Newsletter_Issue_44_24_2015&utm_medium=email&utm_term=0_56a32a922f-9994c251e8-179815153

Other articles on ‘Self-Care’, ‘Self Compassion’ and ‘Resilience’ are:
http://greatergood.berkeley.edu/article/item/try_selfcompassion/

It has been said that adolescence is like having only enough light in front of you to see the next step. It can certainly be a tricky time, and learning to have a little ‘Self Compassion’ for all of us is one way to get started. Give yourself a break and only expect what is reasonable.

Seasons for Growth

Seasons for Growth is filling up for next Term. Please email me if you would like your young person to be involved at: bronwyn.melville@mn.catholic.edu.au
Seasons Newsletter can be found at: http://online.flipbuilder.com/fvhj/ewbh/
See a story about a local school and their Seasons Program. For young people involved in Seasons, it’s about their recognition of their identity (who they are), status (their place in family), and their voice (what they have to say). Anne Graham, founder/writer of Seasons.

LAP (Learning Assistance Program)

This program is a mentoring program and is run during school time. Each mentor spends half an hour a week with a student assisting them to engage in school life. If you are interested in assisting, please email me at: bronwyn.melville@mn.catholic.edu.au.

Pastoral Care
Sport

Soccer, Soccer Everywhere and Not a Ball to Kick
This term has seen a huge amount of soccer and futsal for both boys and girls.

Girls’ Turner Cup
The Girls’ Turner Cup team has been going from strength to strength with two recent games. The first was against Kotara High on an absolutely disgusting Friday where the rain, wind and cold left the girls almost swimming at the end. For quite a few of the girls, this game was their 8th game for the week and several were injured and should not have played. With Isabel Palmer away, Naomi Fanning went in goals and we battled on, finally winning six goals to two. The girls were drenched and blue at the end. The weather was so bad that one of our most dedicated supporters (Mr Pryor) couldn’t bring his class down to watch.

Our next game was against Warners Bay at Speers Point and again carrying injuries, the girls won 7-2 with Annabelle Hewitt, Eleanor Butler and Gabrielle (how did you not see that) Deacon starring.

The team is: Eleanor Butler, Gabriella Cosentino, Gabrielle Deacon, Taylah Bryde, Summer Harrison, Naomi Fanning, Jordan Houston, Ruby Pearson, Nicole Nathan, Leilani Nathan, Annabelle Hewitt, Danielle McSeveney, Ruby Springthorpe, Nikki Kapalos, Isabel Palmer and Sienna Mason.

Girls’ Open Team
The Girls’ Open Team played in an Open Gala in Maitland to determine the area winner. We were the only junior school team, yet won all of our games quite easily until game 5 when we went down one nil to St Peter’s after early domination. Again, the girls were outstanding against opposition with Year 11 and Year 12 girls.

The full team on the day was:
Eleanor Butler, Gabriella Cosentino, Gabrielle Deacon, Taylah Bryde, Ruby Pearson, Annabelle Hewitt, Ruby Springthorpe, Nikki Kapalos, Sienna Mason, Georgia Rossi, Claire Plenty, Gabrielle Mason, Jade Cannon, Chloe Kapalos and Grace Ella.

After taking our girls’ teams for many years and asserting their skill, effort, mental toughness and intelligence, I often wonder how much more advanced we would be as a civilisation if girls had been afforded the same opportunities as boys from the word go. The girls always make you proud wherever you go.

Futsal Championships
Last week, St Pius took 12 teams to the Central Coast Futsal Championships. Six teams (four boys and two girls in the 9/10’s) and six teams (all boys in the 7/8’s). I can’t list the 90 students who went but in the 16’s the boys and girls won the day with an outstanding effort and now go to the State Championships in Sydney.

The winning teams were: William Reeves, Dan Falcioni, Joshua Kerr, Alexander Grant, Jackson Manning, Samuel Russell, Gabrielle Mason, Jade Cannon, Chloe Kapalos, Georgia Rossi, Nikki Kapalos, Gabriella Cosentino, Taylah Bryde and Eleanor Butler.

On the proud note again, on the day with the 7/8 teams (all boys), some opposition parents stopped me and said “Are you with those boys?” As a teacher, when you hear
this, your next step is to hide. But after a tentative “Yes”, they said how fantastic our boys were – not only as players but how polite and well-spoken they were to this group of opposition parents – so one for the boys as well. The boys had the two best teams on the day but were both knocked out by the same team from the International Football School, who had apparently (and it looked like it) the best 14 years goal keeper in Australia in their team and he kept them in it despite the boys out-playing them.

The boys have also played in the Diocesan Cup in Maitland and like the girls, succumbed to St Peter's in the Final. The boys played very well and again were a credit to the school.

The team was: William Reeves, Darby Richardson, Dane Falcioni, Danilo O’Brien, Luca Sakoff, Kyle Theacos, Harrison Crook, Isaac Szekelyhidy, Finn Paras, Nicholas Bull, Joshua Kerr, Cody Easton, Lachlan Sutherland, Samuel Russell, Jackson Manning and Alexander Grant.

**Girls’ Friday Sport**
The girls 7/8 Representative Sport Competition has seen one of the St Pius teams undefeated and the other doing well and improving each week. I will publish names in the next Newsletter – enough soccer for this one.

*Michael Lee*
**Soccer Coach**

**Rugby League News**
Congratulations to our U13 and U16 League teams who have won their Newcastle City region of the Knights Knockout and now move on to the Quarter Finals to be played on the evening of Monday 15 June. The 13’s will play at Raymond Terrace while the 16’s will play at Charlestown. If successful, they will compete in a Semi Final on the same night with the winners to progress to the Final to be played at Hunter Stadium in early Term 3. We wish both teams luck in their upcoming games. Well done also to our Under 14’s and Under 15’s teams who both finished Runner's Up in their competition but did not have the opportunity to progress.

Congratulations to Tex Hoy who was awarded The Newcastle Knights Harold Matthews Player of the Year at an awards ceremony on Monday night.

Congratulations to Finn Carlin who has been selected in the NSW Catholic Country Schools team to compete during the upcoming school holidays.

Thank to Mr Harrison, Mr Reynolds, Mr Courtney and Mrs Sellers for their assistance with the school league teams in 2015.

*John McLoughlin*
**PDHPE Coordinator**
NSW CCC Hockey Championships
The St Pius Boys’ and Girls’ Representative Hockey teams travelled to Grafton last Wednesday for a two day tournament, competing against other representative teams from secondary Catholic Colleges state wide.

Our Girls’ team placed third overall, taking home two wins, two losses and a draw against some very tough competition. The girls played incredibly well as a team, missing out on making the final by just one point.

The team consisted of: Chloe Anson-Smith, Isla Hartigan, Priya Gibson, Olivia Anastasi, Emily Hill, Holly Dragnic, Claudia Mackay, Sophie Anson-Smith, Clare Melville, Maddy Roals, Naomi Fanning and Eloise and Genevieve Franks.

The Boys’ team travelled with only nine members after some last minute withdrawals. The first two games were played with only nine players until we were reinforced with three boys from the local Catholic school at Grafton. The team was unlucky to record a win, but are to be commended for their determination and comradery in their approach to each game.

Both teams represented St Pius X, and the Maitland-Newcastle Diocese, with great maturity and spirit. Most importantly, our teams had a great trip away, coming home already talking eagerly about the 2016 Hockey Championships.

*Megan Williams and Jonathan Reynolds*

Second-Hand Uniforms

A large number of parents/carers have expressed the need to have second-hand uniforms available. St Pius X High School runs a service which enables all parents to buy/sell second-hand uniform items. The service works in the following way:

1. Parents/carers fill out a form with the details of the item/s required to buy/sell and supply a contact number. This form will be available from reception, or alternatively you may email your details to: admin@adamstownsp.catholic.edu.au.

2. These details are then advertised in a special “Second-Hand Uniform” section of each newsletter.

3. The advertisement will run for one month or two editions of the newsletter.

4. Parents/carers will simply contact the number supplied and deal directly with the person buying/selling.

Please note that no second-hand uniform items will be kept by St Pius X High School.

For any further information regarding Second-Hand Uniforms, please contact reception.
