Dear Families and Friends of the St Pius X Community,

**Grant for Stage 3 of Master Plan**

It is my great pleasure to announce that St Pius has been successful in securing major funding from the Catholic Block Grant Authority (CBGA) for the complete refurbishment and modernisation of the Library. The Diocesan and Family School Building Fund will match this funding dollar for dollar.

The Catholic Schools Office and the school will also pay for some less expensive but equally as important school improvements to be done as part of the same project. These improvements include: refurbishing of the old “House of Hospitality” (northern end of the Factory Wing) as a new Staff Study & Common Room; refurbishment of the existing Staff Room as a Learning Centre for Learning Support & ESL; refurbishment of the Dilley Wing (the wing parallel to the existing Staff Block); and the landscaping of the Quadrangle area (the steep area below the main toilet block on Level 3). **The school contribution will be at least $300,000 over two years.**

These improvements will be further fantastic renewal of the St Pius site. Very exciting!

**Farewell Year 10 2015**

Last week and this week, Year 10 students experienced three different rites of passage celebrating the end of their Stage 5 schooling. The first of these was their Farewell Assembly at school, followed a day later by their Formal Dinner Dance. Last Monday Year 10 attended their Graduation Liturgy. This year’s Liturgy was very special as we had Bishop Bill presiding.

I take this opportunity to thank all Year 10 students and parents for your participation in and support of St Pius X High School over your years here. I wish all Year 10 students, success and happiness in the future and the faith and resilience necessary to overcome any hurdles you may face. **Year 10, farewell & God bless.**

**Invitation to the Opening of the Year of Mercy**

Please see the invitation from Pope Francis & Bishop Bill to the opening of the Year of Mercy. It appears later in this edition of The Lion.

**Presentation of Awards**

Parents and Carers are invited to attend the school **Presentation of Awards** for students of Years 7 to 9 on Monday 14 & Tuesday 15 December. Each presentation will be held in The Factory Theatre.
The times of the presentations are as follows:

As explained in the last Lion, students are to attend school on these days only for the period of their presentation. There are no formal classes or other school activities on either of these days. Students must wear full school uniform (not sports uniform). I do hope you can make it to your child’s ceremony.

**St Pius Christmas Tree**

A **big thank you** to all the generous families who have placed a gift for the elderly residents at St John’s Villa under the Christmas tree in the Main Reception area. Your kindness and thoughtfulness will bring a smile to the faces of those who receive your gifts.

**ST VINNIES CHRISTMAS HAMPER APPEAL**

Our hampers are full to overflowing and they will be dispersed to those in our community who are not as fortunate as ourselves. We thank you most sincerely for your generosity and wish you and your families a happy and safe Christmas. The hampers are available for further donations until Friday 11 December.

SCHOOL STUDENTS TO TAP ONTO OPAL NEXT YEAR

More than 420,000 school students will be provided with an Opal card at the start of the 2016 school year so they can travel for free between home and school while accessing the ease and simplicity of the Opal electronic ticketing system.

Minister for Transport and Infrastructure Andrew Constance and Minister for Education Adrian Piccoli announced today that parents and students will be able to apply for a School Opal card and get information about the card from next week.

"More than 4 million Opal cards are already in use and now we’re expanding Opal to give school students the same kind of convenience from the start of the 2016 school year,” Mr Constance said.

Mr Piccoli described today as a win for school kids and families, with the travel program providing more than $550 million to fund 80 million school trips each year.

“School travel assistance gets students from Kindergarten to year 12 to and from home safely and keeps cars off the road at busy peak periods,” Mr Piccoli said.

The School Opal card will be for travel within the Opal footprint covering schools and students travelling on public transport across Sydney, the Blue Mountains, Central Coast, Hunter, Illawarra and Southern Highlands.

“We have more than 2,000 schools from the Public, Catholic and Independent sectors in the metropolitan and outer metropolitan areas whose students will be able to use an Opal card on trains, buses and ferries to get from home to school,” Mr Piccoli said.

“To make it easier for families, students who have a paper school pass this year will automatically be issued with an Opal card at their school from the start of term in 2016."

Some parents and students will need to apply online for their School Opal card, which will be delivered in 2016. This includes parents who have children starting at kindergarten, moving from Year 2 to 3, starting high school, changing school or changing their address next year.

Parents and students who need to apply for a School Opal card can go to the website transportnsw.info/school-students from Monday 2 November.

Fact sheet: School Opal card

The School Opal card provides free travel to school aged students between home and school on weekdays under the School Student Transport Scheme (SSTS) across the Opal public transport network.

School Opal card can be used:
- On approved travel on school days between the student’s home and school, and
- For travel between 06:30 and 19:00 weekdays (21:30 for TAFE school students).

Who is eligible?
To be eligible a student must be a resident of NSW plus:
- Infant student (K-2) older than 4 years and 6 months who lives any distance between home and school; or
- Primary student (Years 3-6) who lives more than 1.6km (straight line) from school, or 2.3km or more by the most direct practical walking route; or
- Secondary student (Year 7-12) who lives more than 2km (straight line) from school, or 2.9km or more by the most direct practical walking route; or
- TAFE student under 18 years of age at 1 January of the year of application and enrolled in a full-time TAFE course for a minimum of 20 hours a week, and is not employed, lives more than 3.2km from the college by the most direct practical walking route, and attends the college closest to their home where enrolment is available.

School Opal Cards enable a student to travel on:
- Mode(s) of transport most applicable for the student’s travel requirements; train or bus or both. For bus travel, cards are restricted to individual or a combination of bus operators. For approved ferries; and
- School days only.

For travel outside school hours or days a Child/Youth Opal card is available and provides concession fares and other Opal benefits.

How do parents/students get a School Opal card?
Students with school travel passes this year will be not need to apply for a School Opal card unless they are changing schools or their home address or moving from year 2 to 3 or year 6 to 7.

Those students who do not need to apply will have a School Opal card sent to their school for the beginning of the first term in 2016.

For new applications or for students with changing circumstances, the parents, guardians or students over 16 years are required to fill in a form online at www.transportnsw.info/school-students.

After filling in the online application they print it off and take it to the school to endorse. Transport for NSW has the data online from the application and waits for the school to then endorse the application and will mail the School Opal card to the applicant’s home address.

Tablets
Towards the end of this year, a number of students have been coming to school without their tablets – due to damage or general repairs. While this has adversely affected their ability to participate fully in the classroom, no sanctions have taken place since it is so close to the end of the year.

It is most important that all students have this situation rectified and have a fully functioning tablet for the start of 2016. If there are any reasons that a student does not have their tablet, eg due to financial hardship, then this can be discussed with Mr Emery privately.

Mindmatters
Year 8 Wellbeing Day
On Friday the 27 November our Year 8 boys and girls attended Wellbeing sessions. These sessions had overwhelmingly positive feedback from the students with 100% of all students saying they had a good day (survey taken on the day). Our female students listened to and engaged in presenter Emma Thomson’s ‘Love Me Mission’ workshops which centred around self-love, positive body image and living a balanced life. Some of the comments from the girls on the day were: “learning to accept yourself for who you are and ignoring the negative messages around us that are seen in the magazines and media” and “a healthy lifestyle is a lifestyle that includes healthy eating, a healthy mind and positive relationships”.

Our male Year 8 students listened to Paul Wade speak about living a balanced life, working hard to achieve your goals and never giving up – resilience. He spoke about his personal story of having epilepsy as well as being the captain for the Socceroo’s. Paul also went through team building and team work sessions with the boys running soccer skills sessions with them. Some feedback from the boys on the day was: “resilience is to never give up and be determined to be the best you can be”, “being able to get up after you been pushed down” and “to never give up on your dreams and just keep pushing and pushing until you get to your goal”.

These sessions were put together by the schools Mind matters action team. The team has been developed to make wellbeing and mental health for our community a priority.

Pastoral Care
It can be really difficult to keep a cool head at this time of the year (literally and metaphorically speaking). It’s a time of commercially loaded expectations and sometimes self-imposed pressures to have what we think is essential – usually in the form of gifts for others. Nothing is nicer than giving a gift though, and it is often hard to keep it real when we are being encouraged to ‘have it all’. Once you have lived a number of Christmases, you can look back and see what is lasting and what is important – time with loved ones, thinking of others, family traditions that uplift and unite and giving to those who haven’t been blessed with what we have.
Of course, like the band Chicago’s song says, “everyone needs a little holiday” and we all like to kick back and relax for very good reason. Research shows it is very beneficial to take a break from your usual routine and see/do something different. It renews your life view, and gives new energy to carry on.

Remembering we don’t have to have it all, that presents are just that – a gift (not a right) that is given freely. So whatever we give is a treasure and what we receive is special. I have asked my own children what they would like, and was surprised by the answers of “nothing really” to “some chickens please”. Time together is the best recipe for a hectic silly season and down time from our usual routine.

Advent is the start of the church New Year, commencing four weeks from the Sunday closest to 30 November. It comes from the Latin word ‘Adventus’ which means arrival or coming, and is traditionally a time of waiting, staying alert and fasting until Christmas Eve, when the fast is broken. This link has a good description of what Advent is all about: https://www.youtube.com/watch?v=QSsMG6UXXwo

I have also made up some sheets for families on Advent and making an advent wreath – they are in Student Services.

If you would like to explore giving to others who are in need through Catholic Mission, which are tax deductible gifts, here are a couple of links: https://secure.imisfriendraising.com.au/registrant/TicketingCatalog.aspx?eventid=12954&langpref=en-CA&Referrer=Tax_Page

Seafarer’s Donations
Thank you to the kind souls who have donated gifts for our students to make the Seafarer’s Care Packs once again. We will be distributing them shortly.

Vinnies News
St Vincent de Paul will be handing over a cheque to the local Kotara St Vincent de Paul Conference for our Christmas Appeal at the final assembly for the year. We are practising up our Christmas carols in our best voices so we can perform for our friends at St John’s Villa aged care, and will take the gifts that have been very kindly donated by our community. It is always a lovely time and we look forward to it again this year.

I just want to commend and thank the Vinnies members who have faithfully visited the residents all year. It is such a highlight for the residents, and they really look forward to interacting with the students every fortnight. It means a lot to them.

LAP (Learning Assistance Program)
Mentoring will finish on Tuesday 8 December. A huge thank you to our dedicated volunteers who made it all possible. You are generous beyond measure!

Have a relaxing, peaceful and joyous Christmas, and Happy New Year with your loved ones, and be blessed always.

Thank you for the privilege of working with you as parents and with your children – it is always a joy.

I CAN HELP RESTORE HOPE THIS CHRISTMAS

DEAR TEACHER,

This Christmas, we are encouraging all Australians to think about how they can restore hope to those in our community who need it most. On the reverse of this page are two activities that your students can get involved in; encouraging them to consider what it would be like to be a child in need this Christmas.

The box below also highlights some examples of what they might like to consider doing this Christmas to create a positive change.

Please contact your local youth coordinator for any assistance you may need with your Christmas Appeal Activity Sheet.

We wish you all a safe and blessed Christmas.

Thank you for your support.

Kind regards,

The Vinnies Team

HOW CAN I RESTORE HOPE THIS CHRISTMAS?

• Use your donation box to collect funds this Christmas
• Ask your teacher how you can support the Vinnies Christmas Appeal with an activity like a cake stall, mufti day or clothing drive
• Prepare Christmas Food Hampers
• Write Christmas cards of hope for a struggling family
• Have lunch with a classmate you don’t normally talk to
• Organise a School Sleepout to raise funds and awareness about homelessness

For more information on School Sleepouts, visit nswvinnieschoolsleepout.gofundraise.com.au

Make a donation at your local Vinnies Shop, by calling 13 18 12 or by visiting vinnies.org.au/christmasappeal

Second-Hand Uniforms

A large number of parents/carers have expressed the need to have second-hand uniforms available. St Pius X High School runs a service which enables all parents to buy/sell second-hand uniform items. The service works in the following way:

1. Parents/carers fill out a form with the details of the item/s required to buy/sell and supply a contact number. This form will be available from reception, or alternatively you may email your details to: admin@adamstownsp.catholic.edu.au.

2. These details are then advertised in a special “Second-Hand Uniform” section of each newsletter.

3. The advertisement will run for one month or two editions of the newsletter.

4. Parents/carers will simply contact the number supplied and deal directly with the person buying/selling.

Please note that no second-hand uniform items will be kept by St Pius X High School. For any further information regarding Second-Hand Uniforms, please contact Reception.
